[EPUB] ? The Sheikh's Triplet Baby

Surprise - A Multiple Baby Romance (More Than He Bargained For Book 2) (English Edition) ? MOBI eBook or Kindle ePUB free

This is the worst book I've ever spent money on and I am shocked at the number of 4 and 5 star ratings it got. The characters are boring, especially the leading lady who is downright depressing. The story is so disappointing. It started off dull and got increasingly worse in each chapter until it completely flops at the end. I couldn't believe the very, very poor ending. The story was so short and the plot turned out to be nonsensical. The story ended at 65% then it was followed by an excerpt from another book about another multiple babies pregnancy. Ridiculous and disappointing. I am voluntarily reviewing a copy of this book that I received for free. Amity, a public relations specialist, finds herself working for Sheikh Aziz al Arin to help him improve his image with his country. After delving into the Sheikh's personal life, Amity tries to come up with a strategy to boost his image, only to find her usual tips and tricks aren't going to work. They become close as they work together, and one thing leads to another. After determining that there really is no need for a PR rep, Amity and the Sheikh go their separate ways. This book continues the well-written quick trip in the life of Middle Eastern royalty with nice romance overtones and surprises for all that Holly Rayner introduced us to in *The Sheikh's Twin Baby Surprise*.

A romantic close-up of a man and a woman about to kiss. The man, on the right, has dark hair and a beard, and is wearing a light blue button-down shirt. The woman, on the left, has long dark hair and is wearing a pink patterned top. They are both looking at each other with soft expressions. The background is a dark, textured blue. The entire scene is framed by a decorative white border with ornate scrollwork in the corners.
