#KINDLE ó Seducing His Opposition é eBook or E-pub free

0 conflicto, me gusta m s el drama. #KINDLE Â Seducing His Opposition é All Business, All The Time, Had Made Justin Stern A Very Confirmed Bachelor Yet One Glance At Selena

Gonzalez And He Knew Changes Were In Order Perhaps Marriage Wasn T In His Future, But An Affair Certainly Was Never Mind That He And Selena Were On Opposite Sides Of A Deal That Could Make Or Break Them Both Pretty Soon, Passion Was The Top Priority And If Justin Could Finesse Their White Hot Attraction Into A Win For His Company, He Would No Matter What The Cost Justin and his brothers are expanding their brand of business style by opening a strip mall in Miami On the other side is Selena, fighting for her family to retain their heritage in some way On their first meeting, attraction sparks between them Each is wary of the other, looking for loopholes When their casual affair turns into something , both parties have some decisions to make. I enjoyed Selena s character feminine, yet strong willed, and totally NOT a pushover Justin was a tad bossy, but in a sexy way. Enjoyable read. Miniseries Miami Nights News Update Always powerful, passionate and provocative Starting with April titles, Silhouette Desire books will be published as Harlequin Desire. Read my review at [una buena lectura ligera entretenida, pero no alucinate.](#) just a so so kinda story however recalling d leading characters are Justin Stern and Selena Gonzales definitely reminds me of Justin Bieber and Selena Gomez lol maybe it s a just wierd coincidence, while the last couples ended up breaking, the couple in the book eventually ends happily ever after yeah, it s really intertaining lol

SEDUCING
HIS OPPOSITION

MIAMI NIGHTS

Jen's Review *Seducing His Opposition* is the second book in Katherine Garbera's Miami Nights series which follows the Stern brothers Justin Stern and his brothers are looking to develop a strip mall in Little Havana in Miami. But he never expected to be bowled over when he is introduced to the lawyer representing the current owners of the property. Selena also happens to be the granddaughter of those owners, so she has a lot in stake when it comes to representing their best interests. However, the sparks fly whenever Justin and Selena are in the same room. So when an affair is suggested, is Justin just using the attraction to get ahead in their business deal? Well, since this is a romance novel, I'm sure we all know the answer to that question. However, the road to happiness does have a few twists and turns. Most of those bumps in the road come from Selena who begins to question Justin's intentions as it seems history is repeating itself. Now, I understand that there needs to be some sort of obstacle to overcome or else the story would fall rather flat. However, I kept wanting there to be something in the story outside of Selena's trust issues. That said, I did enjoy the characters and the plot, with the knowledge that limitations were in place on development due to the length of a Harlequin Desire novel. The novel does stand alone, but the reader is teased with the reappearance of the brother and his fiancée featured in *Taming the VIP Playboy* as well as meeting the brother whose story is played out in *Reunited With Child*. This is a middle of the road story for me. One that teased me enough that I'd read the other books in the series, but it's not one I'll be re-reading.
