!E-PUB ? The Surgeons Fatherhood Surprise ? A Renowned Plastic Surgeon And One Of London S Most Eligible Bachelors, Jack Tremayne Lives The VIP Life He Works Hard And Plays Hard But Jack S World Is Turned Upside Down When He Learns That He Is The Single Father Of A Three Year Old Boy Jack Returns To His Cornish Hometown Of Penhally Bay With Little Freddie, Where He Finds His Life Inextricably Tangled With That Of Single Mom Practice Nurse Alison Myers Fiercely Independent, She Is Determined Not To Fall For The Gorgeous Doctor S Charm Alison Might Just Be The Answer To Jack S Prayers She S Fantastic With Freddie And Has Captured Jack S Heart Soon He Begins To Wonder If Family Life Might Just Suit Him After All I liked the book but it lacked the relationship between the parents and children They didn t even seem to acknowledge each other children I liked this book, and it certainly kept me engaged, but I have to say that I never really felt the chemistry between Jack and Alison They were two nice characters who had their share of difficulties but I don t think I was ever fully invested in them I knew they d get their happy ending because this is a Harlequin novel, so their emotional uncertainty didn t really effect me I may even have been interested in what was happening to characters introduced in previous books in this series than to Jack and Alison s situation I did like their sons though I ve very much enjoyed this series and plan to continue it. i got this book form the book club and i like it a lot i read the second of the booksthis book is about the dad who

THE SURGEON'S  
FATHERHOOD SURPRISE

MEDICAL

The cover makes me laugh, because while it has the correct number of kids, they aren't the correct gender. The kids in this story are both boys, and that child on the right of the cover is definitely a girl. About the story: Meh. This could have been better, but the characters were frustrating.
