@DOWNLOAD E-PUB ñ She's Got Next : A Story of Getting In, Staying Open, and Taking a Shot ¹ eBook or E-pub free

In She's Got Next, Melissa King chronicles her search for meaning in "ragtag games" on basketball courts across Chicago, Los Angeles, and her hometown of Arkansas, sharing with the reader bits of basketball wisdom and some of the "moves" she picked up along the way "tricky balances of resilience and flexibility, courage and serenity, confidence and humility, moving and stillness." @DOWNLOAD E-PUB ð She's Got Next : A Story of Getting In, Staying Open, and Taking a Shot ä Twitter Nous Voudrions Effectuer Une Description Ici Mais Le Site Que Vous Consultez Ne Nous En Laisse Pas La PossibilitShe S Got Next Life Played Under A HoopNotRetrouvez She S Got Next Life Played Under A Hoop Et Des Millions De Livres En Stock SurAchetez Neuf Ou D Occasion SAMPLE PROFILES She S Got Next FIND YOUR NEXT SCHOLARSHIP ATHLETE Join Us SUBSCRIBE Click The Button To Register And Be On Your Way To Viewing Overprospects From The UKShe S Got Next Home Facebook She S Got Nextlikestalking About This The Only Dedicated Scouting Service For UK Female Ballers ShesGotNext She S Got Next May ,Explore Brown Girl Collective S Board She S Got Next, Followed Bypeople On Pinterest Seeideas About Gabrielle Douglas, Female Gymnast, Olympic Gymnastics She S Got Next FRANKShe S Got Next Written And Photographed By Ally Manzella Designed By Grace Senior She S Got

A young woman from poverty stricken Arkansas arrives in Chicago to explore the intricacies of urban life. Her passion: Basketball. Whether playing in a pickup game or on a league team, she describes a delightful array of characters from all walks of life who ultimately define what's important to her. Interesting little memoir about basketball as a common and not so common language. Preferred the parts about her experiences playing on playgrounds and in Y pickup games in Chicago to the rest. I'm not sure why I got this book. I finally decided to read it because it met a reading challenge requirement. It's a bunch of random stories about King's search for herself through playing basketball from Arkansas, Chicago, LA, and back to Arkansas. It's a bit disjointed, but I didn't mind reading the stories. I continue to love to read about women's basketball and the route that all these girls/women take to just get to play the game. No story. No hook. No sport. Just a rambling account of people who played basketball and what they looked like or wore. Imagine this...a young lady played high school basketball in her small home town as a bench warmer. She moves to the big city of Chicago where she hardly knows anyone. So the way for her to enjoy life and connect is through pickup basketball. It's interesting how she discusses interaction with strangers and gender and racial issues in this area. Great read! One of the best sports books I ever picked up.

"Not since Zen and the Art of Motorcycle Maintenance has there been a sweeter, groovier primer on how to live. I love this book."

— KAREN KARBO

She's got Next

A Story of Getting In,
Staying Open, and Taking a Shot

MELISSA
KING

MARINER ORIGINAL

I really wanted to like this book! I am a huge fan of basketball but I was weighed down and

bored by its tedious descriptions. It had moments of true inspiration and I particularly enjoyed the end, where she coached a team of young girls, but overall I just wanted it to end. Very disappointing.
