THE ROLLING STONES

A LIFE ON THE ROAD

Fun book, clever idea of blend their comments as a conversation, so there s no feeling of

an interviewer, just the guys telling their story The photos are fantastic Handy touch at the end in the way they identify the photos by showing small versions of each photo, and nice to include bios of the people who have worked with them over the years and made it all possible The quality of the book is top notch Yay to the interviewers editors Jools Holland and Dora Lowenstein Well done.
