[Read Book] ? Firefighter Under the Mistletoe ? Weplayit.co

Very good book Leanne worked hard to be accepted as the only woman at the firehouse Getting involved with a player like Christian was not what she wanted to do But she is

drawn to him like she hadn't been for anyone else Christian had issues with the idea of settling down, thanks to family pressures that were put on his father But he couldn't help his feelings for Leanne, and he wasn't sure if he could do anything about them I really enjoyed seeing the teamwork of the rescue crew, both on the job and off The whole community was great I can't wait to read Hood Hamlet books. I adored this book It is a heartwarming, fun emotional story. Leanne, grew up in Hood Hamlet. Her long time friends are on the OMSAR rescue team Being on the rescue team, working at the fire department, Leanne is treated like one of the guys. Christian, is a rookie firefighter He is also an extremely hot looking guy, who avoids commitment at all costs. Leanne Christian, are attracted to each other But, she wants a relationship, not a one night stand. With it being close to Christmas, Leanne Christian, work together on preparing for the toy drive Christmas Magic Celebration. The time they spend together, they've gotten to know each other, away from the station Even though Leanne Christian shared a kiss, he's still avoiding relationships. Is there really Christmas Magic in Hood Hamlet I loved everything about this story [Read Book] ? Firefighter Under the Mistletoe ? For Leanne, Infuriatingly Charming Firefighter Christian Welton Is Out Of Bounds Not Only Is He Too Young For Her, But His Trail Of Broken Hearts Is Legendary Leanne S Fought Hard To Be One Of The Boys, And Won T Let Anyone See That Christian S Smile Makes Her Want To Melt Into His Arms Christian Wanted To Discover The Softer Side Of The Tough Talking Paramedic, But Hasn T Counted On How Much The Real Leanne Affects Him He S Vowed Never To Settle Down, But Under The Mistletoe It S Certainly The Season To Be Tempted 4 STAR REVIEW Judging a Book by its Cover Another cute couple cuddling in winter wear Looking Deeper POV Third person I love how this story began, with the danger and rescue elements Both of these lead characters are strong willed, stubborn, and set in their ways, even if it is to their detriment Paramedic, Leanne, tried hard almost too hard to be seen as one of the guys at the firehouse and as a member of OMSAR Rookie firefighter, Christian, refuses to commit to anything in life whether it be a job, a home, or a woman Both have issues from the past that are not quite as resolved as they think Because of this, there are a lot of bumps in their path to happiness While the attraction and compatibility was evident, their foolish heads would not listen to their hearts and what they KNEW about one another While I could have done with less of the drama, I was plenty happy to read updates on the other couples and enjoyed several of the new characters Predictability was low The conclusion is solid and satisfying Rating PG Score 4.2 Stars 4 Disclosure of Material I received a copy of this book from the Author Publisher with the hope that I would voluntarily leave unbiased and unsolicited feedback I was not asked, encouraged, or required to leave a review nor was I compensated in any way I am posting this in accordance with the Federal Trade Commission s 16 CFR, Part 255 Guides Concerning the Use of Endorsements and Testimonials in Advertising. Such a touching story From start to finish I was captivated The heroine, Leanne, dealt with a horrible tragedy as a 9 year old child I ugly cried when she

revealed the past to the hero, Christian She could have languished in the depths of despair, but pulled herself up and hid her emotions from her friends Christian touched her heart and emotions like no one else had and was able to get past her barriers to her true self The last scene in a cemetery was heart wrenching another ugly cry , and heart warming Excellent read. Do you believe in Christmas magic Leanne and Christian s story is moving and heart rending Heroes in their everyday lives, paramedic and firefighter, whose attraction to one another is obvious but Christians fear of commitment may have cost him the love of his life Can he fix it before it is too late Maybe a little Christmas magic is in the air I enjoy reading about the lives and loves in Hood Hamlet Another great addition to the Mountain Rescue series And look forward to the next in the series I was provided an Advanced Reader Copy in exchange for an honest review. I read this book in one sitting I was completely swept away in the first chapter when Leanne rescues Christian and his cousin Owen after a climbing trip goes bad Leanne and Christian work together in Hood Hamlet She is a by the book paramedic and he s the rookie firefighter Throw in that she s older than him, she has worked hard to be one of the guys and she won t admit that she does have feelings for him, it makes for a great story Christian is from well to do family that has a winery He s heart is being a firefighter not a wine maker.I will admit that I have read Sean Hughes and Zoe Flynn s story Christmas Magic on the Mountain and the online story featuring Cocoa Marsh and Rex Billings Snow Kissed Reunion its on the Harlequin website but I have not read Carly Bishop and Jake Porter s story Rescued by the Magic of Christmas I plan on reading it within the next few weeks Leanne has also been a secondary character in each of them so when I read that she was getting her own book, I was thrilled I knew that Leanne would be a tough nut to crack but Christian was up to the task From the moment the book opened to the moment that I shut it closed, I sighed, laughed and fell in love with both of them.Ms McClone has written a beautiful and emotional story of two people that are finding their way in the world and finding out where they belong in it Its also the story of family and what defines a family and your place in a family Leanne and Christian have sizzling chemistry from the start and it only heats up during the story Half the fun of a Harlequin Romance is the build up of chemistry through out the story and the gratifying HEA at the end One thing about this serieswill there bel love Hood Hamlet and the people that make up the town Their journeys toward love and family never cease to amaze me.I highly recommend each of the Hood Hamlet Christmas stories I read mine in order but each stands alone. Melissa McClone is known for her Christmas Magic themed books A mountain hamlet filled with snow, handsome climbers, first responders or other residents who are never who they appear to be, women who thaw the heroes or visa versa, and the belief in the magic of the Christmas season combine to make wonderful holiday romances I always look forward to these books but I anticipated Firefighter Under The Mistletoe evenbecause the heroine, a secondary character in previous books, finally gets her own love story A commitment fearing fireman, Christian Welton, and Leanne Thomas, a paramedic who is trying to be one

of the guys while longing for a home and family of her own, is an emotional tale whether previous books in the series have been read or not An opening chapter kicking off with a mountain rescue of the hero BY the heroine, an age difference, hidden tragedies, the tension of working together as well as the protectiveness of the other fireman toward their little sister paramedic turns Firefighter Under The Mistletoe into a keeper to be read at least a few times before the holidays roll around. I really enjoyed this book It was a wonderful read with sympathetic characters that drew me right into the story I was sad to see it end. A very nice, sweet romance Christian helped Leanne realize there was than being just one of the guys while Leanne helped him learn to risk his feelings Add in a little Christmas magic and this was a nice holiday read I liked it.
