|EBOOK ? And You Call Yourself a Christian (Still Divas #1) ? eBooks or

Kindle ePUB free

Unique and her mother Lorain have become mother and daughter again after having a shaky past with each other. Even though neither of these women been in the church all their life, they are now living for the Lord. However, obstacles come into their lives that make others state "And you call yourself a Christian." After Unique is charged with murder and the woman who raised her constantly letting her know what her place is in Unique's life, these women began to wonder if they could really be called Christians. This was my first read by the author and I thoroughly enjoyed it. This did not come across preachy, instead it told a story based on how Christians actually react to situations. The one thing I wish there was of is an actual closure to the Nicholas and Lorain situation. I kind of wish there was at the end about them. I will be continuing with this series. I could not put this book down..It can be a witnessing tool on just how great the Lord is no matter how horrible the situation. I loved how the author wrote the story so the reader could not assume what would happen next. I will read works by this author. This book was good. I had to shake my head at Unique at the end like really. If only you knew. I hope her adopted mother tell her before they do this custody thing, and Nicholas talks to Lorraine because she is shady for to me a Christian but they are some shady ungrateful Christians. Like Unique lost, her boys at least Lorraine could've give Unique chance to see the girls jeez. I can't wait to read part 2 well listen to it. Man if we just have the faith that Lorain had to know that EVERYTHING works out good for those who love the Lord. She faced obstacle after obstacle, sometimes questioning God but never gave up her faith.

AND YOU
CALL YOURSELF
A CHRISTIAN

I loved this book. it gives you Faith to always Trust God not Man This was a great read it was a very sad read but I love the outcome towards the end |EBOOK ? And You Call Yourself a Christian (Still Divas #1) ? Out Of All The Divas At New Day Temple Of Faith, Unique Has To Be The Most Colorful One She And Her Mother Lorain, That Is Never One To Hold Her Tongue In The Name Of Keepin It Real, It S No Surprise That Unique Has Not Been Saved All Her Life It S Safe To Say That Lorain Wasn T Born On The Church Pew Either Let The Church Folk Tell It, The Apple Hasn T Fallen Too Far From The Tree When It Comes To Unique Lorain Once Known As The Tight Skirt, V Neck Blouse, Too Much Makeup Wearing Leader Of The New Day Singles Ministry Claims She S There To Look Out For Her Daughter And Try To Keep Her In Check But How In The World Does Lorain Think She Can Even Begin To Keep Her Daughter On The Straight And Narrow With Her Own Crooked Life Some Might Say Lorain Has Failed Miserably As A Mother When Unique Ends Up In Jail For Three Counts Of Murder One Who Would Agree Is The Woman Who Raised Unique While Lorain Was Out Living Her Life Freely As An All Out War Takes Place Between Unique S Birth Mother And The Woman Who Raised Her, Will Unique Have Any Support While She Fights For Her Life Behind Bars Will All Forsake Her While They Are Too Busy With Their Own Agendas Only God Holds The Answer To This One First time reading from this author and I really enjoy her work On to the next one. A Badge of Honor What God has joined together let no man put asunder Lorraine and Unique had been forced to work together on the singles ministry Though different, the ladies began to talk, learn about the other, and the respect for the other came natural What they would later find out, that Unique is Lorraine s biological daughter, further solidified their bond When Unique, a mother of three, learns that she s pregnant again, and this time with twins, she and Lorraine decide that Lorraine will raise the girls as hers This is great news for all involved Unique is still trying to make things work for her and her three sons and Lorraine finally gets the chance to be a mother, well a new mother. Life is pretty much going well Nicholas, Lorraine s boyfriend, has proposed She fears that he may be too good to be true She keeps praying that he is the one, but her past keeps insisting that she is unworthy of a good man Not to mention that he is not saved. Unique has decided that she s tired of begging for scraps from her boys dads She s going to make sure that they understand that she didn t have children on her own and force them to chip in their fair share Though her Mary Kay sales are going well, she still needs help. Just as Lorraine has made up her mind for happily ever after, and Unique has decided to take the law in her own hands, life happened Unique is in jail and Lorraine is trying to figure out how to help When she meets Korica, the woman that raised Unique, she feels anything but gratitude Soon the two are involved in all kinds of tit for tat and trying to best the other in the eyes of Unique. God has a way of bringing out testimonies from tests and making a message out of a mess Despite all that these two have gone through, will they continue to trust God at his word Or will they both walk in fear E.N Joy has held my interest since the very first title in the Divas series I really appreciate how

you get to witness Christians trying, despite heartache, pain and fear, to manage everyday life I look forward to reading the next book in the STILL DIVAS SERIES. Reviewed by Crystal This book was indeed a test of faith for the characters I honestly felt I was on a journey with them as they dealt with their struggles physically, spiritually, and mentally This book makes you think about how much faith do you have if you faced unforeseeable circumstances The Christian principles are throughout the book, but it is not churchy I am sure it is not a word Without giving away the plot, Lorrain and Unique, mother and daughter, are tempted with various obstacles Lorrain has several secrets that she hopes does not come to light Unique faces traumatic life events because she was not living her best life Korica raised Unique and does not approve of this new relationship between her daughter and Lorrain You have to read to find out why Korica continually reminds them about their so called Christianity even if the crudeness leads to isolating someone. There are other characters as well such as Renee, Nicholas, and cannot forget Eleanor who indirectly impacts their decision making Must read
