I was in Vietnam at the same time as the author and religiously wrote home as well. Wish I had thought of putting all those letters to book form as Mr. Mixer did. I could relate to most of what he experienced at the base camp but I was out in the field a lot and my letters sound like poor me pity parties. I liked the book but think it would have been good to include some of the letters being written back to him and how the letters inter-related. Nice touch at the end to know what happened to Roni. Better not give it away. Welcome home, Randy Mixer. [\(\(\(Download Ebook\)\)\) ? Letters from Long Binh](#) / Awarded Honorable Mention By The Military Writers Society Of America. My Book About Vietnam, Letters From Long Binh: Memoirs Of A Military Policeman In Vietnam, Is Now Available For Sale At I Based The Book On The Letters I Wrote Home To My Wife Roni During My Tour Of Duty In The Th MP Company In Letters From Long Binh Gives The Reader An Honest Appraisal Of The Everyday Life Of An MP In Vietnam. Sometimes Poignant, sometimes Humorous, But Always Gripping, The Book Is Written With A Deep Sense Of Respect For His Fellow Brothers In Arms In A War Torn Country. Lou Fantauzzi Vietnam I really enjoyed this brief look into the life of a military policeman in Vietnam. For some weird reason I am interested in war, mainly World War 2 and the Vietnam War. I don't mean to disrespect anyone who has served in any other war but for some reason I am drawn towards those two. I don't like boring facts and figures, I like to read about the people who lived it and Randy Mixer did a great job of allowing me to look into his life. It was like standing over his shoulder and reading his private diary. You can smell the air and taste the dust while reading this book. It was a quick and easy read and very enjoyable. One thing about this book that stands out is the honesty of Randy. He does not write this as if he is a one man army beating all the odds. He openly shares of his mistakes and faults as well as his victories. He lets you know his emotions in different situations. He shares the humor that he found in sticky situations while letting you also see his grief in losing friends to the war. I appreciated his candor and would suggest anyone interested in Vietnam read this. It is not full of action but it is full of real life. Maybe one day he will put out another book with some of his letters in them, I would also be interested in reading about how the war has affected him since being home and out of the army. Check this out if you are looking for a quick yet interesting read.

# LETTERS FROM LONG BINH

*Memoirs of a Military  
Policeman in Vietnam*

Randy Mixter

A fast and interesting read about life as a MP during the Vietnam War, Letters from Long Binh paints a vivid picture of the big surge of 1967 while giving the reader insights into the

psyche of a MP during his tour of duty There is an innocence and some naivety that one would expect, which adds to the charm of the many vignettes contained in the book. kindle memoirs
