BOOK ? First Time Lucky? ? Weplayit.co

Gabe was a sweetheart but I couldn't like or understand the heroine She was blind and delusional, a bit too much for my taste. Plot goes in circles..Roxy i love him but i cannot tell

him so let me just leave this god forsaken place Gabe Do i love her but i want my freedom and have my pride so i will not tell her, she should fall at my feet like everyone Got a headache reading this.. BOOK ? First Time Lucky? ? She Needed Sexperience Forced To Grow Up Too Quickly, Roxie Skipped Too Many All Important Firsts Now, Armed With A Six Point Checklist, She S Ready To Get Going Starting With The Big One Losing Her V Plates A Hunky Doctor, Gabe Hollingworth, Has Moved In Next Door He S A One Night Only Pro And Smoking Hot Perhaps He Could Help Her Out Only, Gabe Wants To Be Than Just Another Tick On Her To Try List He Sets Roxie A Challenge He S Sure She Can T Accept Walking Away From Their Insane Chemistry L O V E D it I adored Roxie Gabe Roxie is one determined h , she knows what she wants and goes for it After putting her life on hold for years to take care of her grandparents, she is fully determined to have her life back and start having fun Gabe doesnt know what hits him He has no chance to resist Roxie, thu he tried hard.NA is one of my fav authors every one of her books is a new proof of how talented she is Fresh, fun, breezy sassy, yet full of depth emotions Highly recommended I tried really hard to get into this book but I simply never did I didn t care for the heroine at all And the herol don t think there is any kind of team sport that s going to be okay that their team doctor dates and sleeps with the dancers cheerleaders That is just all kinds of wrong and I found it a real turn off as well as overstepping boundaries I really struggled with that. Hero wanted commitment for a change, not just for commitment s sake but because he had feelings Received from author through GR s Giveaways.Wow what a wonderful book Great storyline, beautiful Hero Heroine.Amazing Hero, who wouldn t want to be wooed by this guy Will definitely source outbooks by Natalie Anderson Thank you so much for sending me a free copy of this book through the GR s Giveaways Would have read it quicker in one sitting if it wasn t for work this book has a bit of a twist on the regular HP romances, as in this one, the heroine is the aggressor and the hero is reluctant to bed her of course, there are reasons for the behavior of both of them, and it was a fun book. Wow Not since Adam Black in The Immortal Highlander have a read this good a description of a heroine losing her virginity Jeez If I hadn t wanted a do over before, I definitely want one now.Whew Give me a minute.Ok What a fun, sexy, oftentimes deeply introspective book Having had the privilege to play a small part in the nursing of aging relatives, I can understand where this heroine is coming from I also deeply respected her basically putting her life on hold to take care of those she loved That part reminded me slightly of Roanna in Shades Of Twilight, but that is where those two heroines part ways.Our Roxanna is no push over She knows what she wants and goes after it Truth be told, it is a bit cliched and over the top, but it s an HP and it feeds my selfish need for the same Well done What a wonderful book It s been reviewed enough that no further description is needed What I liked best was the character development The actions, personality, and defense mechanisms of the H h made perfect sense based on their life experiences What they both wanted was a no strings attached fling, they both wanted to maintain there personal freedom Turns out what they thought they

wanted changed and getting past their defenses to come to terms with that was the obstacle The HEA was great, the romance was great and the sex was hot.
