Wade Cooper next expected to find Missing Annie Harlow in his back yard When he did he called in the family to help keep her safe try to remember the last three weeks of her life She doesn't remember be kidnapped along with her Mom Dad This story was a page turner that kept me turning quickly. #Read E-pub ? Secret Keeper (Cooper, #12; Cooper Security, #5) ? Although A Missing Annie Harlowe And Her Entire Family Were At The Forefront Of A Cooper Security Investigation, Wade Cooper Never Expected To Stumble Upon The Half Conscious Beauty In His Own Backyard Thankfully, Annie Had Somehow Escaped Her Captors Unfortunately, She Had No Memory Of The Past Three Weeks Before Long, The Memories Slowly Began To Return And The Threats To Her Life Turned Deadlier And Although Her Well Being Was Becoming Than Just An Assignment, Annie S Safety Remained The Battle Scarred Marine S Top Priority Still, For A Man Who D Avoided The Risks A Relationship Was Bound To Bring, Could Wade Really Walk Away Once This Case Was Closed And What Could His Future Possibly Hold If He Did In Graves romantic suspense novel, Annie Harlowe and her family are missing and the Cooper Security group is investigating their disappearance Not surprisingly Wade Cooper stumbles across the injured woman in his own backyard Annie had somehow escaped her captors and found her way there but without her memory But the memories slowly begin to trickle back and with them come threats to her safety Wade risks his life to protect this woman who holds of him than he cares to admit. A fast paced installment to the Cooper Security series.

SECRET KEEPER

Will the Coopers ever run out of attractive cousins, siblings, clients, etc, etc Likely not, it seems, and it s getting a little silly now This family is getting so complex, the idea that they have a bunker to hold them all in case of terrorist attack is laughable, and the series is getting so convoluted that each episode is like a random where are they now catalog than an actual novel, since every damned cousin pops in for an update at some point It s no wonder the family is getting so large, though I don t think they ever help anyone they don t end up marrying and or hiring Which is good, I guess, because if you have anything to do with this clan and don t marry them, you are a series red shirt and will die likely to be found dead in a dark hallway with the metallic smell of blood surrounding you, since that s how everyone dies in these books But don t worry, some serious Sooper Spy will be the one to kill you, so that means you ll get bludgeoned expertly before he chows down his cyanide pill sigh. In this one, it becomes very clear that the characters are behaving by rote There is really no reason whatsoever for Annie and Wade to fall in love, they just do, because that s their function A couple of pretty people tossed together for 24 hours, and I guess that s what happens, right This one gets a bit of extra credit for having a hero with a limp and self esteem issues, which is a welcome change from your usual alpha male, but we spend sadly little time with this character or on this couple, so there isn t much development at all, either as individuals or as a pair. I liked the cat, though view spoiler Don t look for an ending in this one, because there isn t next installment, maybe hide spoiler
