|Download Pdf ? Surgeon Sheik's Rescue ? eBooks or Kindle ePUB free

Such a compelling combination of danger, emotion and atmosphere Surgeon Sheik s Rescue is a top notch addition to White s Sahara Kings series I especially enjoyed the

setting for this third installment An ancient, ghostly abbey located on an island off the French coast provides an irresistible gothic edge What better backdrop for a tale featuring a beauty and a beast The author s prose does vivid justice to the setting But then he saw her eyes, bright like spring crocuses, staring at him through the misted boulangerie window, her dark curls tousled about her pale, heart shaped face like some untamed thing Tariq cursed, shutting out the image Another flowed into his mind as the music rose the sight of her on the heath, like a mythical Red Riding Hood, drifting in and out of curtains of fog as she followed him with her camera The restaurant door swung shut behind him Tariq sucked the icy winter air deep into his lungs, trying to calm himself Rain was turning to snow, fat flakes separating from diaphanous mist, wafting to the ground and winking out on the slick cobblestones at his feet He strode up the street to his waiting limousine, focusing fiercely on controlling his limp, his visible weaknesses. Gorgeous And, oh, the heartbreak Bella and Tariq are both struggling to deal with loss, and the need for reinvention They could help each other, if only they could trust each other At first Bella is intent on using Tariq and his intensely guarded history to revive her career, but finds herself growing desperate to rescue this fierce, lonely, cynical man plagued with grief and guilt That guilt expands when Bella gets caught up in the menace stalking the royal family until Tariq discovers her damning secret This is one book you won t be able to set aside, even for a minute After losing her job and escaping a murder attempt, Bella DiCaprio fled the U.S and made her way to the coast of Brittany under an assumed name She still believed that Tarq didn t die in the fire and explosion that killed his fiancée To get her job back, she needed to prove it The abbey on the remote coast of Brittany seemed to be when Tarq was hiding out reports of a mysterious man with an eye patch living there circulated in the town When Tarq saw Bella staring at him on the cliffs, he was furious but eventually Bella helped Tarq heal Unfortunately, the bad guys were still after both of them How Bella helped Tarq prove who they were began a series of events that led to a the ending of several political dynasties. I loved this book There were so many twists and turns that kept the reader engaged the whole way I hadn t read one of this author s books in awhile and am so glad I read this one. Huh White managed to surprise me Here I was pacing drudgingly through the first third of the book bemoaning the deluge of seemingly useless facts, when suddenly the pace picked up about half way into the book view spoiler You know, when they finally decided to stop circling around and do it hide spoiler A haunting gothic love story

 HARLEQUIN®
A woman in a black lace bikini top and a shirtless man are shown in a close embrace, looking at each other. The background is a tropical beach scene with a sunset and a waterfall.

ROMANTIC
SUSPENSE

Surgeon Sheik's Rescue

*Sahara
Kings*

If she could find him, so could an enemy

Miniseries Sahara KingsCategory Suspense Excellent story, One other slight quibble why would an abbey have dungeons In fact, most castles did not have purpose built dungeons They had storage rooms built in and around the foundations that came in handy for storing prisoners, which explains the lack of light, etc In later centuries, those storerooms were sometimes retrofitted as dungeons, and probably were in the invented abbey in this story It s just a throwaway thing that likely never occurred to the author to think about why would a bunch of nuns need have a dungeon All medieval castles have dungeons, right They do in the movies Yes, but not in real life. |Download Pdf ? Surgeon Sheik's Rescue ? How Far Would He Go To Keep A Secret Off The Cliffs Of Brittany, Danger Awaits To Bella DiCaprio, The Windswept Island Offers Hope The Story That Cost Her A Prestigious Reporting Job Has Brought Her Here, Where A Mysterious Recluse Holds The Key To A Horrific BombingFor Sheik Tariq Al Arif, The Grief Is Still Fresh That Tragedy Took Not Only His Career As A Lifesaving Surgeon But Also His Fiancee Only Here, Walking The Windswept Cliffs By The Haunted Abbey, Does He Begin To Feel Alive Again And When The American Beauty Shows Up On The Storm Ravaged Island Off The Coast Of France, He Knows Their Passion Is Dangerous To Desire Is To Dare Can Either Take The Risk To Love Again
