~Download Ebook ? Living with the Dead (Famished #3) ? For Three Years, Life Is Strenuous For Kansas Moore As She Travels With Her Team And Saves People From The Clutches Of The Revolutionists On The Downtime, They Bide Time By Constructing And Enlisting For Their Own Cause When The General Assigns Her To Search For A Missing Loved One, She Turns To The Team And What They Find Overturns Everything They Ve Learned So Far This was an amazing read, that had me hooked from the very beginning This book has it all An excellent story that keeps you, the reader interested from the moment that you pick up this book and start reading, characters that you will fall in love with and no matter what they have to go through you want to see them succeed The writing is excellent and the pace of the book makes for an enjoyable read as it is not too fast nor too slow. This book needs to be on your to be read list, there is no doubt about it. I am honestly so disappointed in this author and how they ve handled the release date It has been pushed back over and over and then we finally got a release date preorder for January 31st and guess what guys, pushed to the end of February I loved this series but I m done with it Will not read another novel by this author. 5 Rudolph Stars Living with the Dead is the third book in the Famished Series by Annie Walls We ve wait a hot minute for this book to be released

but it was well worth the wait WE launch straight back in with Kan and her life as she knows it 5 years on Exciting, thrilling, dark, shocking and excruciatingly sad, all words I d use to describe this book It didn t disappoint and I loved every minute of it I didn t want it to end Annie s writing is excellent and I really enjoyed the pace of this book It was sad to say goodbye to this series, to Kan and Rudy but I m excited to see what comes next for Annie I would not read this book as a standalone and if you haven t read the other books in the series I would highly recommend getting on that Side note I d love to see this made into a TV series, it would be the bomb I ve been waiting for this to come out and it did not disappoint me in any manner It was exactly how it needed to be. No Spoilers Amazing, Annie does not disappoint This is a book you re going to struggle to put down until it is done Trying to move when this book just came out was not easy, but hey, who needs sleep Kanas is a character you love and the story just flows If you haven t read the other three books in the series including Rudy s , you are in luck Go buy them also and start from the beginning. So so soooooo disappointed in this author There were 2 days left until the release date and they canceled Just like that No warning and no explanation Why I just want to know why And I won t be reading this Never No matter when will the book get published Even if it s tomorrow I m not reading it So irresponsible To have pre ordered it and have it suddenly canceled 2 days before arriving I just can t understand why would the author be so irresponsible towards her readers The second book was published 4 years ago I mean it s not Song of ice and fire after all And Annie Wells is no George Martin Disappointing

THE FAMISHED TRILOGY BOOK THREE

LIVING WITH THE  
DEAD

WE SURVIVE THEM. WE CONTROL THEM. WE LIVE WITH THEM.

ANNIE WALLS

This series has been my absolute favorite I have been waiting for the final part of this series

for SO long and it doesn't disappoint. Kan and Rudy have been through so much and to see the end of their story has been amazing. I think for fans of zombies, this is THE BEST series and you will not be disappointed when you pick this up. I received a free copy of this book via Booksprout and am voluntarily leaving a review. July 20th, it will be released. I'm re-reading 1 & 2 now to get ready. I love this series.
