Three Girls Three High Schools Three Gotta Read Stories How To Be Down By Felicia Pride When Nina Parker Decides To Straighten Her Afro, Lose Her Valley Girl Accent And Get A Total Makeover For Her New School In The Hood, The Cutest Guy Notices Yes But So Does The Meanest Girl, Vivica, Queen Bee Of Her Crew, Who Wants Jeffrey For Herself Double Act By Debbie Rigaud In The Hood, Mia Chambers Is The Smart Girl, But At Her Prestigious New Prep School She Hardly Stands Out So Mia Does What It Takes Only To Be Accused Of Selling Out By Her Old Friends The Summer She Learned To Dance By Karen Valentin At First, Giselle Johnson Hates Spending The Summer With Her Cousin From The Dominican Republic But She Soon Starts Loving The Island And Even Learns To Dance To Her Own Rhythm That Is, Until Her Cousin Attracts Giselle S High School Crush This book is three books in one I m on the first book its called How To Be Down its about a girl who is from New Jersey then she moves to some where else. The place that she lives now her parents own the apartment that they live in a girl that

s from the neighborhood moved in their building her name is Vivica she s popular,mean and too grown.Nina and her new friends are doing okay they are trying to teach her how to be a black girl because they said she act like a white girl Nina is getting the hang of it she s learning how to be black she changed her hair and what she wear she went on a date with Jeffrey and she looks really cute. Well I Just Started Reading This Book And So Far I Think Its Very good.The So Far One Of The Short Stories In The Book Is About A Girl Name Nina.Nina Parents Moved Her From Her Nice Suburban Neighbor rainheaven,new jersey to The Ghetto Streets of MapleWood Balit.In The Part Of The Story Nina Is Talking About HOw Her Family Thinks She An Expert On White Folks BEacuse Of Where She Lived.Nina Also Meets A Girl That Moved Into Her Parents ApartMent Builiding Name Vicia.Right Now Vicia And Nina Cousin Is Asking Her About Her BoyFriend And How They Dont Like To See Bi Racial couples.But I Predict That Vicia Is going To Turn On Nina When They Start Going to School Together.Or When Nina Does A Make Over to Fit In With The Crowd And The Boy Vicia Likes Start To Show Nina More Atteion Vicia Is Going Start to Have Beef With Nina. The kimani tru series for anyone It s meant for people trying to fit in, having backstabbing friends, and learning to be yourself Felicia Pride s character, Nina Parker just moved from New Jersey to Balti She is being jugded for not being black enough Will she change or will she continue to be herself Debbie Riguard is an amazing author Mia Chambrs is an A student She is getting transfered to a new school Is she a trader or becoming a new person And last but not least,Karen Valentin Gisselle s cousin from the DR is a nucince But can she show Gisselle how to be herself Or will she be sent back to the DR real fast These books are awesome and share a tru meaning READ THEM A good friend and author, Sylvia May, told me about Debbie Rigaud an author who is now living in Bermuda These two authors now get together for writing sessions, working on each of their own writing projects separately but in the same room.I enjoyed her short story Double ACT told from the perspective of an African American girl who finds herself attending an almost all white private high school, but still wanting to keep in touch with her friends from her neighborhood. Felicia Pride is a very smart and dedicated person I ve met and worked with her and she is a great person to be around This was a good story that i read All of them were.When Nina changed her style and then starts to attract good looking boys and Vivica starts to notice but she wants Jeffrey all to her self But he s falling for Nina But only if she can take the pressure of being her self.In the hood, Mia Chambers is the smart girl, but at her new prep school, she hardly stands out So Mia does what it takesonly to be accused of selling out by her old friends. Three novellas about three different girls trying to adapt to new circumstances in their lives The first two are snappily written chicklit with appealing heroines The last one is a dud, amateurishly written and full of cliches.

HALLWAY DIARIES

thought this book was actually a good book, although it included 3 other stories inside of it It was full of drama, and with teenage girls trying to fit in with their heritage of ethnicity. The Hallway Diaries had three stories about three girls dealing with different dilemmas The story that I liked the best was The Summer She Learned To Dance This story is about a girl Giselle who is rich and lives in a big mansion One day while at the dinner table her dad announced that her cousin from the Dominican Republic will come to visit them At first Giselle seemed excited to meet family from her mother's side since her mother died When her cousin arrived she started to regret seeing her cousin because she only spoke a little English and she embarrassed Giselle in front of her rich friends. Towards the end of the story Giselle started taking her cousin's advice and stopped worrying what her friends would say about her because she is Dominican Republic At the end of the story Giselle and her cousin learned that they had in common and Giselle even taught her how to dance and speak Spanish. Good book if you're looking for drama.
