A really nice little short story that I really enjoyed. Geoffrey Scrutinous was a funny character, as always, and I found the story to be wellplanned if not a little brief. The idea of a cursed pen and objects being only visible to the one affected was wonderful I thought. Now moving on! Very funny, and it's nice to get a fresh perspective on the tales of Skulduggery and Valkyrie This was a great story! I love the cursed pen and the humor that accompanies even a dangerous situation. \*slowly becomes convinced that Skulduggery is an INTJ\* Obvious Fe (Valkyrie) vs Fi (Skulduggery) going on here. Valkyrie and Skulduggery eventually save Scrutinous from a curse, but it takes them a little while to work out how to do it. Derek can write stories about anyone and everyone and they will all be as wonderful as the SkulDug series! More more more!!!

# SKULDUGGERY PLEASANT!

AND HE'S THE GOOD GUY

Funny and entertaining. This is a great short story that allows you a little insight into some of the lesser known characters in the world of Valkyrie Cain and Skulduggery Pleasant.

Scrutinous ends up in trouble and it's up to Valkyrie and Skulduggery to save him from sharks that only he can see! I love the way that Skulduggery so nonchalantly talks to China about fixing the symbols while Scrutinous is over in the corner drowning and staring a shark in the face.

I love the whole series! ^FREE DOWNLOAD ? The Wonderful Adventures of Geoffrey Scrutinous ?
