This took me two weeks to read, that s a long very long time for me About all I can say about this is that it was okay There certainly wasn t anything wrong with the storyline the

characters were reasonably credible but I guess it just wasn't gripping enough for me otherwise I wouldn't have kept putting it down. I'd pretty good book, entertaining and if you're a follower of the series, a good instalment for Quinn and his gang. However, I can't help but feel that the book would have been infinitely better if the author had explained why the villain hated the good guys so much. Without that key element, somehow all the rest, despite being good, did not have the punch it could have had. Let me start out by saying that I really, really enjoy John Lutz's books. I had a real problem with this one, however, because I said to myself, are women in NY this stupid? There's a horrific serial killer going around killing women with names beginning with A B C D E, etc., yet, the killer easily gets the next in line with the right first name initial to go back to their apartment with him. I don't know any single thirty somethings but do people hook up so easily right out of a coffee shop, for example these days? This wasn't all that unusual back in the 70s but with AIDS and all types of other STDs, is this really that common or did the author just get lazy in this one? A generous three stars. An ok read but a few niggles that irritated. We have a Carlie but very early on we have a chapter with a Connie. I was a good way in before I realised I had confused one for the other. A scene with the killer drinking at home, watching tv and a barman gets a mention. Quinn co getting access to crime scenes. The killer taunted to come to Liberty Island which he duly does but isn't spotted by anyone. Taunted to visit his childhood home which he does without the trap having been set. Not what I would expect from Mr Lutz. 5 star class as always Mr Lutz. Once again, John Lutz wrote a broke that had me reading for hours. He's one of my favourite authors. I don't want to tell you anything about it, except that this is a killer who seems to be killing his mother over and over again. It kept me entertained to the last page. Read it. I have been a fan of Lutz since his Night series but all his books are good and getting better as he goes. You can't say that for most authors. Signed, sealed and dead. A former homicide detective specializing in tracking serial killers, Frank Quinn is a highly decorated ex cop. And now his niece, Carlie Hobbs, needs help. Someone is stalking her, and the NYPD can't stop him. A blonde, blue eyed beauty, Carlie fits the victim profile of the killer who's been terrorizing women leaving them bound, gagged and tortured with surgical precision. To win against the most personal adversary of his career Quinn will have to set the perfect trap. all he needs now is the perfect bait.

"Lutz knows how to make you shiver."
— HARLAN COBEN

JOHN LUTZ

THE NEW YORK TIMES BESTSELLING AUTHOR

TWIST

The hunter becomes the prey...

A FRANK QUINN NOVEL

Another

winner by John Lutz I love, love, love his books Every one he writes has you at the edge of your seat wondering.and then I begin to wonder what type of person can come up with this stuff.but please don t stop I loved Twist and am already looking forward to your new book for 2014 This book was another QA book about Quinn and his associates, and it also leaves you wondering at the end about Sal, Jody and the rest.I highly recommend this book, but remember if you have a weak stomach Lutz may not be the author for you
