READ KINDLE â Mummies of Guanajuato ì Haunting Photos By Archie Lieberman Of The Mummies From El Museo De Las Momias, Mexico, With A Short Story By Ray Bradbury About A Couple Who Visit The Museum Where The Wife Has An Enlightening Experience Photographs By Archie Lieberman Story, The Next In Line, By Ray Bradbury Pages Full Page Bw Images Throughout X Inches

THE MUMMIES OF GUANAJUATO

Photography / Archie Lieberman Story / Ray Bradbury

This is an odd hybrid photographer Archie Lieberman captures the title subjects in black and white He then grafts one of Ray Bradbury s early short stories, The Next In Line also about the title subject into his work Thus, this consists of Lieberman s photos coupled with a reprint of Bradbury s story The images are disturbing, and the story is no less so As usual, Bradbury exhibits his usual penchant for poetic language to great effect, and I still maintain

that I've never read anything truly bad by him. Thus, while entertaining enough, this is a curiosity which, considering that it must be tracked down used, will only be of real interest to Bradbury completists who, it should be noted, are possessed by a quixotic quest to begin with. This was considerably different from any other mummy book I've read. The first half of the book is a Ray Bradbury story about some folks from the US who visit the Guanajuato mummies and the 2nd half is pictures of various mummies. These made this a cool book, but what I REALLY wanted was some facts about the mummies in the pictures. Since they took all these mummies out of their graves, they should at least have names, birthdates, and the date of their death. This information would be fascinating. I'm still glad I own it, but I will be on the lookout for a book that has the info or better yet, convince some friends to take a road trip to the museum with me. I just ordered this book. I've read the Ray Bradbury story "Next In Line," and it is fantastic. It was collected in "The October Country." Long ago, I traveled a bit in Mexico, but came down with a horrible case of bronchitis. I wish that I had made it to Guanajuato. Guanajuato mummies.
