THE CODE OF BUDDYHOOD

First things first this is a very different book than Bernhardt's typical fare. Not a lawyer or court case to be found. So go in knowing that. This is also the first book he wrote although not published and it is definitely the work of a beginning novelist. The plot isn't that interesting and the story doesn't really seem to go anywhere in particular. I've read everything else of his and enjoyed them, but this one just didn't work for me. A must read for Bernhardt completists only.
