.FREE BOOK ? The Frenchman's Bride ? eBooks or Kindle ePUB free

I don't usually give a plot summary, but the blurb on the book is really not informative, and very little of the book is reflected in it, so here goes Hallie is a 26 year old lay nun in Paris,

weeks away from taking her vows Her two young French friends, Paul and Monique, who are 18 year old twins, throw her a surprise birthday party, during which Paul reveals he s in love with her, and proposes She tries to turn him down gently, but during the process, Paul s father intervenes angrily He thinks Hallie is the same kind of exploitative schemer that the twins mother was Paul freaks out, and is injured running into the road When the family takes Paul home to their chateau, Hallie comes as well, hoping to help the family mend emotionally During this visit, Hallie and Vincent develop feelings for each other, but fight it, due to various complicating factors, such as Paul and her vocation. This book was pleasant, in that for the most part, characters were generally kind There was nothing steamier than some kissing not that I personally object to the steamy stuff, but sometimes a really tame romance is nice too The religious aspect was a novelty What kept it from a higher rating was the fact that for me, the narrative and dialogue were constantly kind of artificial There was never a moment when I lost the sense of being told a story and got sucked in it always felt like characters and not people. Hallie, seorang calon biarawati 25 tahun , mengalami masalah ketika seorang anak 18 tahun jatuh cinta padanya Apalagi ketika anak itu akhirnya mengalami gangguan psikis Menariknya, ketika bertemu dengan ayah si bocah, Hallie malah suka pada ayahnya. Konfliknya menarik, dan penyelesaian masalahnya secara kekeluargaan juga menarik Hanya saja endingnya agak maksa sih but hey..it is harlequin after all Semua harus happy ending. 04 12 08 TITLE AUTHOR THE FRENCHMAN S BRIDE by Rebecca Winters RATING 4 B GENRE PUB DATE OF PGS Romance 2003 185 pgs SERIES STAND ALONE Stand Alone TIME PLACE Present Paris, France CHARACTERS Hallie Linn lay nun Vincent Rolland vintner FIRST LINES Reaching for a towel, Vincent Rolland stepped from the shower of his London hotel suite having made the decision to fly to Paris after his business lunch later in the day COMMENTS Hallie Linn is only 25 but has seen much tragedy she is one of only a handful of survivors of a plane crash that ended the lives of her husband, his family her family After this she decides to devote her life to service and becomes a lay nun in preparation to taking her final vows While working in Paris she meets two young students twins, Paul Monique They are in their late teens and want to learn to speak English better the 3 quickly become fast friends Paul s friendship develops into a major crush Vincent, their father who resides at the vineyards in the countryside of France is apalled at Paul s romance and wants to stop this before it goes any further Hallie of course is innocent and only sees Paul as a brother but Vincent jumps to conclusions and thinks she is after the family fortune Vincent Hallie are off to a very shaky start w many an obstacle Sweet romance. .
