To be honest, this book just didn't work for me. The writing in the beginning was super choppy for me and the story itself including the sex scenes just didn't sell me. I normally have to elaborate on as to why it didn't click for me but I can't even answer that myself. I just don't know. On a side note though, those of you not familiar with Lili St Germain's Gypsy Brothers Series better get themselves acquainted. They make an appearance in here as the rival gang to the Outlaws MC. They cause A LOT of trouble here. Anyways, a lovely debut from Ella Stone but sadly did not hit my sweet spot for MC bikermen. I'm sorry. This whole book makes me angry. It is simply too much like something else to be coincidental and I will not, not review it because the author doesn't want that, as a blogger I feel slighted asking us to review something that is scene by scene another book, it's how I feel. I'm not posting on my blog or making a huge stink about it, it's just what a sham. [Download Book] ?

Underworld Champions (MC Outlaw, #1) ? CONTENT WARNING This Book Is NOT Suitable For Under 18 It Contains Graphic Sex, Violence And, Drug Use Please Do Not Read If You Are Easily Offended A Contemporary Biker Romance Maddie's Life Has Always Been Hard With An Absent Mother And A Father Who Is Beyond Help She's All On Her Own When Her Father Carks It, She Has No Money, And Some Jerk With Bad Breath Is Always Hovering Around Her To Take Advantage So She Goes To The One Person Who Owes Her A Favour Her Mother She's Married To The President Of The MC Outlaws That's A Motorcycle Club Maddie's Never Really Been Into That Shit, But She Doesn't Have A Choice And Surprisingly, She's Going To Come To Rely On The Outlaws Than She Ever Expected Cole Is One Of Those Jackass Guys Who Girls Should Keep Away From At All Costs But He's Hot, And Maddie Finds She Can't Help Herself He's The Club's VP, And So Goddamned Hot, He'd Melt The Panties Off A Nun She Should Run, She Should Stay As Far Away From Her Past As She Can, But Instead, She Keeps Running To That Sexy Biker, Cole Cole Understands Maddie, You See He's Damaged Too Can These Two Tortured Souls Find A Way To Heal Each Other Will Cole Be Her Champion Please Note, This Book Was Rewritten Before Release To Adjust Any Similarities Here are the links US I don't care if you can't do this We're fucking doing it I'm claiming you babe That pussy of yours is mine, and I will kill any man who tries to touch it I don't want to be claimed You said I could choose You just did when you wrapped your tight little pussy around my cock Now get on the bike Cole ARC provided by Author for Honest Review After careful consideration, I've decided to let this book go There is just too much controversy surrounding the plagiarism of Hell's Knight's compared to this, which I have not even read Even so, considering this much negative attention, I've decided to skip this book altogether and get to my ARC's that are original and deserve my honest review I hate having to do this, but at

this point in the game it all becomes a he said she said debacle and I'd rather spend my time reading than worrying about what I'm reading Thank you to the author for providing this copy, unfortunately at this time, this book is just not for me. In regards to this book being the exact same as Bella Jewels's Hell's Knights In my opinion about 70% was the same story line.the last 30% went off in a different direction It was really strange and felt like Deja Vu Most scenes were similar, were they word for word I don't think so, but they definitely were the same scenes The Dad Mum situation The Pimp The Hero, even sex on the bike The scene in the fathers home where she washes her clothes, has a fight with the dad goes and cries, eats pizza with him, finds out he didn't leave her It's so similar She walking in on the hero getting a head job, fighting with the club whore Buying new clothes, the hero paying for her new leather.Her freaking out after the sex on the bike I can go on but i won't Personally I decided not to review or rate it I'll leave that up to you This is Ella's wishes in regards to the similarities I'd like to ask those of you who are still against this book to just leave it be I don't need any nastiness surrounding my release and from the sounds of things, Bella is a lovely woman, and bashing my book in the name of hers is just going to cause problems for her I'm asking that you just leave it alone and let the readers decide for themselves So lets leave it up to you. This book is just too similar to another biker series that I love by the way I've read to even enjoy it, every think from author name to characters to sex scenes to storyline is too close Not for me I need to read something that is new and not similar Okay so you've all heard by now the issues with this book being very Similar to Bella Jewels book Bella Ella, Jewel Stone Even Ella's name is similar So by 20% in I'm already thinking are you freaking kidding me Same history, same problems, same character initials, same sex scenes, same reaction to said sex scene, same history with her father, similar entrance into the club, same job, same, same, same, same, same I think the only difference is about 10% of the book is not the same as Bella's MC Sinners series I definitely won't be recommending this author, series and or further projects by Ella Sigh Ok I sat on this for 2 whole days I wasn't going to say anything, but I feel like I have to warn people I didn't know anything about this, I'm a bookcover whore, it looked pretty So I bought it.Then I started reading it and got Deja Vu BAD So after reading the whole thing here is my honest opinion Ok here goes 1st The Synopsis is wrong It's her Mum that dies, and she goes to her Dad who is the MC President 2nd Remember the D j vu feeling I said before I had it for about 85% of the book I had it because I had read the book before Except the book I read was Bella Jewel's Hells Knights..After I had read it I jumped on here and found out I wasn't the only one Apparently some things were changed, honestly it wasn't much Except Addi became Maddie and Cade became Cole I fully understand that typical genre's are going to go down the same path sometimes.le College romances, 9 times out of ten the nerd virgin is the heroine, Love triangles usually one of the guys Is the best friend Rom Com the heroine always does something hilariously embarrassing Bikers they're always bad ass alphas's Unfortunately there was just TOO many in this book The Names

The Junkie Mum The pimp wanting revenge The Dad that wanted her all along The Sex in on the Bike Her freaking out after the sex on the bike The club whore showdown just to name a few So because of that I am not rating this book Honestly if I hadn't read Bella's book this book could have had potential I wasn't overly in love with Maddie and Cole, and some of their scenes were just weird not HOT But yeah I'll let you be the judge Nope. Too many coincidences, too many identical scenes, too many similarities to another book I know. If you're going to write a story, then by all means write a story, but don't use another author's entire storyline Yes I heard this was changed, but the only change I see is that she changed it from mother to father everything else is pretty much still the same story line as Bella Jewels Story about Hell's Angels Yeah I'm sorry after talking to Bella I am not reading and supporting this author.

A muscular man with short dark hair is shown from the chest up, flexing his right bicep. He is wearing a red t-shirt. The background is a dark, textured red. The lighting highlights the contours of his muscles.
