This was not my kind of book Started to read it, the storyline did not grab me, so just went to last two chapters and read them. Not really my kind of theme Revenge in a business setting kind of book Plus the characters Hero and Heroine really did not tickle my fancy But is is part of the Chatsfield book line There are other books in the series that are pretty good. This story was ok I m not big on revenge in real life or book life , too much heartbreak for 10 seconds of happiness, then hollowness when you realise you ve screwed yourself over as well.Hero Mostly pretty damn good Human, but has a good heart.Hero s dad Horrible money hungry thug.Heroine Petty and hung up on the fact that her luxurious lifestyle was cut shortwoe is me rolls eyes Suffers from a dire case of tunnel vision. Cooper and Serena struggled with revenge, duty and vulnerability I liked Serena s strength but also her constant fight between being her own person and accepting her need to lean on someone other than herself Cooper wasn t so bad either He saw through Serena s walls and went after her Again no Chatsfields except at the very end I guess the next book will have a Harrington against a Chatsfield. So horrible I didn t even finished reading it Deserve 0 stars. A revenge romance that tells the story of 2 people who through circumstances when they were younger have trust issues makes for an interesting and fast paced romance Loved it. Wonderful revenge romance Miniseries The Chatsfield
