winner from the very beginning I couldn't get enough of Clayton and Roxy Clayton was the star quarterback that was sidelined by a shoulder injury All the therapy he had been through wasn't getting him any closer to launching the ball down the field again Enter Roxy A curvy, tattooed, foul-mouthed therapist with an amazing track record of her own Could Clayton swallow his pride and ego enough to accept her therapy They didn't have the smoothest of starts but putting their hard-headedness aside and the results could be incredible Could Roxy let her tough exterior and sassy walls down long enough to let Clayton in Sidda Lee Rain writes another touchdown story I was pulled in from the very beginning and wasn't willing to put it down The chemistry between Clayton and Roxy is absolutely tangible Not to mention some very, very steamy scenes Facial anyone LOLAnything Sidda writes, I'm reading Favorite Lines Her motto was dress for herself and never anyone else Damn, when had her booty gotten so big So out there She did kinda look like one of those rap guys girlfriends or something Oh Lord, she'd reduced herself into quoting cheesy 80s songs about her ass If it has tires or testicles, it's bound to give you trouble Tires, she could handle Testicles, she would handle she just had to remember not to crush them even when she wanted to A girl her size in such a beautiful gown meant only one thing that could make or likely break an evening of passionate mind-blowing spontaneous sex.Spanx Yep, her plump derriere was being shaped and molded by the almighty gift from the gods: spandex and a dream But then there was this part of her the part of her ran strictly by estrogen and Dove chocolate that was doing cartwheels over his staking his claim on her as if she belonged to him Life's far too short to sip.
