Damsel in distress but really good to have around in an emergency And in everyday life Caretaker hero Competent mountain rescue and medical personnel What s not to love [Free Pdf] ? The Nurse's Wedding Resque (Lakeside Mountain Resque #2) ? The Moment Gorgeous Dr Oliver Hunter Sees Helen Forrester At His Sister S Wedding He Falls Head Over Heels Trouble Is, Helen Is Nursing A Broken Heart And Is About As Against Men And Marriage As You Can Be Oliver Is Used To Mending All Things Broken And He Soon Has Helen Working With Him On Dangerous Mountain Rescues Oliver Knows That When Life Is On The Line, You Make Every Second Count And Right Now What Counts Is That He Persuades Helen He S Her Mr Right Lakeside Mountain Rescue Romance And Drama That Will Keep You On The Edge Read this as reprinted in two in one book Once upon a Christmas but wanted to give each book individual ratings 3.5 stars Pretty much what I expected from this novel Very formulaic hurt girl meets man too good to be true after being jilted the day before her wedding Man too good to be true falls for her instantly and moves heaven and earth to keep her from brooding and at his side She falls hard, her ex decides he wants her back and man too good to be true steps back to let her decide thus making her confess all her feelings for him but not, of course before us simple readers fear they might not get together after all Naturally they do and it s all happily ever after Finis What I liked about this was although our hero really was too good to be true, that it was a sweet story Straight forward and simple but it reminds us that relationships aren t easy and that love isn t as cut and dry as often think.
