The good The story behind Sato Sato s character Tosaki and Kei chemistry got tense but very interesting to read The attack and the strategy of Kei to overcome Sato s army.The

bad Still a bit confusing between character names and characters design Kei and both of his friends the ajin and the human look the same to me The answers and the revelations are coming in too slow The plot moves forward very little. Awalnya sedikit melambat, Kei tampaknya ogah ogahan menghadapi pertempuran di depan mata Tapi begitu musuh menyerang, ternyata dia dan Tosaki telah menyiapkan suatu rencana besar. #Free E-pub ã ?? 7 ? Best Ebook, 7 By Gamon Sakurai This Is Very Good And Becomes The Main Topic To Read, The Readers Are Very Takjup And Always Take Inspiration From The Contents Of The Book 7, Essay By Gamon Sakurai Is Now On Our Website And You Can Download It By Register What Are You Waiting For Please Read And Make A Refission For You Sato is incredible I love how Nagai Kei always looks like he is so done with life XD Ajin terrorist Sato and others are carrying out killing of 11 VIPs one after another A war with Sato and others starts The beginnings were Kei and others of Ajin who was hostile relations and Tosaki and others of a government, but because of a cooperative, relationship is being good. Still interesting Also, interesting backstory on Sato. Interesting, that in Keis nightmare He dreams that Kai is offering him a way out. Things are leading up to a big show down with Sato Since it s become apparent he will never stop, Nagai realizes he has no choice but to bring Sato down, if only so people will finally let him be There is still great action in the volume and lots of great moments, but I suspect the next volume will be an epic clash I ll have to wait till October to find out Great series Highly recommended 2016 Summer Reading Challenge book 10 Still interesting Note that a battle that starts in this book doesn t end in it so you might want to hold off reading until you have the next volume. I swear Kai is a demi human too, but just doesn t realise it, how else does he survive Even if he is the son of a criminal his survival rates are too high to be human.

Ba larda durgun bir b l md , bir bekleyi hakimdi Sonunda ise sava ba lad diyebilirim ki grup da ok zeki, Nagai nin kafas ndan neler ge ti ini bilmiyorum Gelecek cilt ok daha heyecanlı
