READ PDF å Barracuda (Slacker Mills Mysteries, #2) Ø Slacker Mills Is Back In A Harrowing Sequel To Lee Stone S Popular Free Fish Friday With A Tragic Key West Experience Behind Him And A Promising New Life Ahead, The Acclaimed Fisherman Doesn T Make His South Florida Escape Quickly Enough Adrift In A Sea Of Women With The Beauty Of Sailfish, The Majesty Of Marlin, The Mystery Of Mahi, And The Hearts Of Tarpon, Slacker Hooks Up With Monumental Trouble Instead Another Special Friend Is Dead And He Could Be The Reason When A Barracuda Bares Its Teeth, No One Is Safe

Lee Stone

BARRACUDA

Sequel to
Free Fish Friday

loved Free Fish Friday and this sequel was absolutely of the same. Same great characters, same sharp writing. Overall, I thought there was probably depth in this one and a couple of turns I never saw coming. The braids. Was it one of the sisters, or Maria. I loved them all and read with sickened anticipation to find out who it was knowing I'd be gutted no matter who it could be. The addition of a new true Key West character and his plot line also threw me. Can't wait for Slacker 3. Incidentally, I just finished The Student Council, hoping for Slacker type adventures from the author. What a treat completely different from the Slacker series, and surprisingly even better. Don't miss it, it's sure to be an instant classic. Another good one. Slacker's one of those characters you want to see continue. Are you paying attention, Lee Stone. Meanwhile, I've ordered two others and they're waiting on my iPad. I had to read this after finishing the first Slacker Mills book, Free Fish Friday, at the end of August. This book expands on the characters introduced in the first book and they are funny, and quirky, and set on the great exotic to me island of Key West. On finishing this I looked for the next only to find that Lee Stone's latest book is not related to this series. His page says he likes to make sand art on the beaches of Florida. I would like to tell him to get off the beach and get back to writing Slacker Mills books.
