A fictional account of the life of Eliza Gilbert aka Lola Montez, the famous courtesan who brought down a monarchy The first part of the book was told in first person and Lola came

across as a little naive but then it suddenly switched to third person narrative and she was the brat that history paints her to be. It was eminently readable, just confusing. [Read Epub]

? An Invitation to Dance ? A Compelling Work Of Historical Fiction Which Recounts The Astonishing Life Of Lola Montez, A Daring Young Irish Woman Who Took On The Role In Life Of A Spanish Dancer Set Against The Turbulent Beginnings Of The 19th Century, An Invitation To Dance Sweeps From The Margins Of The Empire Ireland And India To Within The Upper Echelons Of Society This Is The Extraordinary Fictionalised Story Of A Woman Who Danced Her Way Across Europe Leaving Scandal In Her Wake Becoming The Muse Of Liszt And Causing The Abdication Of King Ludwig I Of Bavaria Die Geschichte von Lola Montez, allerdings als Roman verarbeitet mit den entsprechenden Freiheiten der Autorin Auslassungen und Hinzufügungen Das Buch hat mich inspiriert, mich etwas mehr mit dieser historischen Frau zu beschäftigen, die sehr mutig aus dem damals für Damen vorgesehenen Rahmen ausbricht Da haben wir nach 200 Jahren nun doch einiges für Frauen erreicht auch wenn es immer noch nicht ganz ausreicht preferred her earlier lifestarted to lose interest after she left India

An Invitation To Dance is a fictionalised account of the life of Eliza Gilbert, an Irish woman of humble origins who reinvented herself as the Spanish dancer Lola Montez at the beginning of the nineteenth century and took much of Europe by storm In a turbulent and scandalous life she counted among her lovers the composer Franz Liszt and the elderly King Ludwig of Bavaria. A flawed and complex heroine, Marion Urch's Lola is a proto feminist struggling to carve out an independent existence in a patriarchal, class bound society, a society, nevertheless, that is beginning to unravel in the face of inarticulate but powerful social forces Lola's solution to is to create for herself a bewildering patchwork of identities and it is this sometimes glittering, sometimes shabby fabric that the author delicately unpicks in beautifully textured and evocative prose. 4,5

What an excellent read Bought on a whim two years ago because of the title and cover, finally read it and it is such a little gem Fictionalized life story of Lola Montez presented here as a complicated, determined and passionate woman The book takes you across the globe with Lola I couldn't put it down and I hadn't even heard of her before buying this book.

"A wonderful novel –
Lola Montez is eternally fascinating."
