Sexy Black Fishnets To Her Next Client MeetingTill She Discovered Her Inner Vixen
Edmund Davis Enjoyed Being In Charge That S Why He Chose To Work With Mousy Mary
But When A Sultry, Confident Mary Strode Into His Office, He Wasn T Sure How To Handle
The Challenge And Apparently The New And Improved Mary Wasn T Going To Settle For
Anything Less Than She Deserved, In Business Or Pleasure I believe that this is the first
book in the black stocking society.the book was good but at some points i wanted to put it
down the best part of the book were the parts that actually referred to the secret society.i
also enjoyed the way mary changed her attitude from victim to victor all in all i would
recommend this as a good read this is my first read from this author but i will be reading the
remaining books in this series and possibly some of her others to get a feel for this
particular author. Going After What You WantSettling for less than what you want or
deserve is never fulfilling in life It is refreshing to see Mary have the tools to get up and get
what she wants out of life and love.
