My review today is on the Love Inspired Suspense, Accidental Eyewitness This is the second book in the Mountie Brotherhood Series This is an awesome series you really must get it This story is well written, action packed, and full of faith I know you are going to love it. Ellen Biers cleans luxury cottages in the off season She prepares the homes so that they are ready when the owners show up She is cleaning a cottage when she witness a murder She hides upstairs when she is found she throws a bottle of bleach at the thief but he turns out to be her brother s best friend, a Mountie A man she s known forever and had a serious crush on. Royal Canadian Mounted Police Officer Leo Thrace couldn t believe how beautiful Ellen had become He had always had a thing for her but her brother, his best friend, had always made it very clear that she was off limits Now he finds her as a target for a thieving ring She has witnessed a murder and these men are out to tie up loose ends That meant Ellen must die but Leo was determined to keep her safe Can he do that without losing his heart even A dangerous journey of life and death God has a plan for these two, a good plan and not for evil God has a plan for you too A plan for a hope and a future Give Him your heart and watch Him turn your life around. As the second book in Karl s Mountie Brotherhood series, this story follows the middle brother, RCMP officer Leo Thrace Leo stumbles upon a crime scene and a shaken up witness who happens to be his childhood crush, Ellen After a reporter leaks her identity, Ellen must run from a gang of thugs and Leo vows to keep her safe Their long forgotten feelings for each other begin to resurface and complicate matters as the pair race through the wilderness of Northern British Columbia seeking safety and answers. This story is another fast paced read from Karl, full of suspense, humour, and sweet romance I m looking forward to the story of the third Thrace brother, due in time for Christmas ( Free Pdf ) ? Accidental Eyewitness (Mountie Brotherhood #2) ? In A Killer S Sights A Lawman At Her Side A Mountie Brotherhood Story After Ellen Biers Witnesses A Theft Turned Homicide, The Killer Targets Her But Her Childhood Crush, Mountie Leo Thrace, Vows To Protect Her Leo Plans To Keep His Long Ago Promise To Ellen S Brother And His Best Friend That He D Never Date Her But With A Killer Determined To Leave No Loose End Untied, Keeping Ellen Close Might Be The Only Way To Save Her Quick read with some twists and turns, and of course I missed book one but didn t even know it. Enjoyed Great story, action, thrills, suspense and mystery. Story ran together real well. Had me sitting on the edge of my seat, rooting for the good guys. Karl is back with an action packed adventure including all of the Karl isms I referred to in my review for the first book of this series I liked this book better than the first one though as all of the information overload of the Canadian wilderness and politics were taken care of in the first book This allowed for less descriptions and character development which I prefer overall. I also found the characters were portrayed a lot realistically and the plot had depth in this latest book Although the characters still have their overly mature moments of monologue, it was not over done i.e self help book style in this book and I appreciated the insight into the characters as a result. My favourite Karl book so far is Unknown Enemy.
