## \*Read Ebook Û Messing with Matilda ? eBook or Kindle ePUB free

\*Read Ebook Ä Messing with Matilda Ã As A Professional Organizer In New York City, Matilda Hart Wages War Against Chaos And Clutter On A Daily Basis For Her Clients And

She Vows To Never Let It Invade Her Own Well Ordered World But When Her Boyfriend Decides To Deviate From The Path She's Been Planning For Them, Matilda's Perfectly Structured Life Begins To Crumble She Reluctantly Finds Herself Back In The Tiny Hometown She Flew A Lifetime Ago Determined To Lay Low And Avoid Running Into Anyone She Used To Know So Why Is She Reconnecting With Her Former Best Friend And Putting Up With The Bridezilla Antics Of Amber, Her High School Nemesis When Matilda Is Tasked With Keeping The Bride To Be's Heartbroken Ex Away From The Ceremony, She Discovers She Has History With The Man Who's Trying To Sabotage The Wedding Matilda Quickly Realizes That Teaming Up With Cute And Quirky But Hopelessly Devoted Silas Flynn Could Be Mutually Beneficial He Needs Help Wooing The Woman He Considers The Love Of His Life And Matilda Can't Pass Up The Chance To Finally Get Back At The Meanest Of The Mean Girls By Assisting Silas In His Attempts To Disrupt Her Wedding Will Everything Go According To Plan For This Mismatched Pair Or Will Working So Closely Together Make Uptight Matilda And Laid Back Silas Lose Sight Of Their Common Goal One Thing's For Sure Things Are About To Get Messy

# MESSING WITH *Matilda*

CATLAVOIE

m an avid fan of Cat Lavoie s and read her books immediately upon release not often enough I adored *Messing with Matilda* for all the reasons I love the author s other books humor, emotion, relatability, quick pace, romance I love how her character s aren t too sweet and have their flaws, but remain likeable throughout You root for them I m kind of hoping for a book about Evie next What do you say, Cat This really is chick lit at it s best I loved the fast paced narrative of this book Cat Lavoie has a real knack of writing great dialogue with humour. When we first meet Matilda she seems to have it all and is about to be proposed to or so she hopes But things rapidly change for her and her perfectly planned lifestyle spirals slowly out of her control. It all happens in such a way that it was really easy to just go with the story line and get caught up in it along with Matilda I read this book in just a couple of sittings as I really wanted to know how it would all pan out for Matilda. It s a different take on romance with a bridezilla who was Matilda s high school bully thrown in for good measure and a lovesick ex who wants to recreate his past I could see this being made into a film as it s such a great story. My only tiny regret is that there weren t references to Matilda carrying out her job as a professional organizer as it was one of the reasons I was drawn to the book However, I loved dipping into her life even when it became kind of crazy. I m giving this book 5 out of 5 stars My thanks to NetGalley and Karan Co Author Solutions for a copy of the book for review. My first book by Cat Lavoie I visited the Karan Co website where I downloaded the ARC via NetGalley *Messing with Matilda* is a fun read and I was privileged to take part in both the Release Blitz *Matilda Hart* works as a professional organizer in New York City, but lives in a well ordered world She has plans for a life with her boyfriend but he doesn t want the same Suddenly, she finds herself back in her hometown and things happen that she wasn t expecting The story is told in first person from Matilda s point of view I always feel that when this is used it makes the story personal for a particular character The writing is fresh witty and honest I enjoyed the representation of Matilda s character and liked her immediately because of her voice within the story and how she handled everything that happened during the book In fact, all the characters compliment each other well and the plot is realistic *Messing with Matilda* is a quick enjoyable read which I highly recommend if you are looking for a workplace love life drama and Blog Tours for the title I d love to read by Cat Lavoie and added the rest of her books to my To Read list before I had even finished *Messing with Matilda*. My favorite thing about most chick lit and other closely related genres is reading the quirky occupations that the main characters have I get tired of reading about office assistants and lawyers and the occasional photographer or author In *Messing with Matilda*, the title character is a professional organizer in NYC This career plays a lot into her personality as well, as she is a bit uptight and comments frequently about the importance of being on time, people or animals making messes, and wanting to organize her friends closets or pantries One thing that many readers myself included will probably appreciate that this is not an insta love story I know I get sick of the same tropes, so when Matilda first meets Silas and calls him messy of course and hates on

his man bun how sad I m a sucker for a man bun , I was relieved I admit that the book was surprisingly unique in that Silas agenda was quirky, and Tilly s friendships were each different and unique Overall this was a quick, simple, and charming read.
