`EBOOK + Cross My Heart and Hope to Die ? PDF eBook or Kindle ePUB free

This book was a bit far fetched for me It was a pretty decent easy read I would recommend it for a beach vacation or something like that. I read this on the plane from Toronto to Los

Angeles It kept me occupied for the entire trip, but was pretty transparent, plot wise And in the end, I found the main situation unresolved and irritating. The two main characters, honestly, drove me nuts One a shrew, the other a doormat martyr which was especially annoying I didn t like either of them AT ALL almost stopped reading the book because of it But the main character at least ended up coming through with some juicy bits that helped endear her to me i did read on. Picked this up after liking other novels by this author, but this story didn t quite gel for me Didn t quite engage with characters and was puzzled by some relationships and open endings Even so, the author s style and fundamental storytelling strength will make me pick up future books. I really wouldn t recommend this book It was good til past half, and then it got a bit weird Too much stuff crammed into one book Didn t like the ending at all Fairly disappointed. The moral is if you shag a father and son on the one weekend, one is bound to get knocked up and eventually, someone is bound to cotton on to the whole deception.. Family drama about secrets, infidellity and relationships Was okay but not hugely memorable. Deeper than I was expecting Great read.

Cross
My Heart
and Hope
to Die

CLAIRE CALMAN

Rules:
Promises:
Hearts.
There are some things
you just can't help
breaking.

There is not enough material here for 450 pages. Much of the detail, which included a surprising amount of trivial chatter, could have been edited out, which would have resulted in a stronger book. According to the cover of my copy, *The Mirror* said, Claire Calman's novels are several notches up from chick fic: they're lively, thought-provoking domestic novels that encroach on Trollope territory. I couldn't agree less. This is HIGHLY chicky fic. The main character is a successful shoe designer who is in her late 30s, has never considered herself attractive, and now finds herself pursued by three men. This book is exactly zero notches up from chick lit. Not that chick lit is necessarily a bad thing, but I was hoping for something less cute, less chatty, and less predictable, and I was disappointed.

EBOOK ? Cross My Heart and Hope to Die ? They Wanted To Get Away From It All But They Brought It All With Them It Should Have Been The Perfect Holiday Lazy Days With Friends In A Rambling Old House Right On The Beach But When One Family Drops Out And Kath Invites Her Brother And Father Along Instead, Everything Starts To Unravel All Kath Wants Is To Have Sex With Her Husband Without A Small Child Bursting In And Demanding Toast And Marmite Her Brother Rob Wants To Find Out Whether He Has A Hope In Hell With The Woman He Loves Giles Wants To Find A Way To Get Closer To His Daughter, While Eight Year Old Anna Just Wants To Be A Mermaid And, At The Heart Of It All Is Miranda Beautiful, Bold And Baffling Miranda Who Wants Nothing Than To Survive The Week Without Anyone Suspecting The Truth
