Oh wow Erin Hunter is getting good at making me physically emotional when reading her books This book was so amazing Once again, I was satisfied to see that my favorite character, Hollyleaf, had a good bit of screen time so to speak, in this book This book actually made me cry, very sad but wonderfully written When reading it there were parts that I just wanted to claw Bramblestar What a mouse brain The introduction of a new group since the one we had seen in Tigerheart s Shadow was a nice addition I think, their family dynamic was fun to delve into and I enjoyed every bit I like that we got some insight into what exactly the new novella Tree s Roots might be about I was a bit disappointed that they did not elaborate on a few characters deaths even if just for a sentence, but I m sure we ll find out the reasons in later books I can t wait for the next book, I m sure it will be fantastic It is rare for me to ever show physical emotion when reading a book, no matter the situation The fact that I actually cried when reading the last few chapters of Squirrelflight s Hope really speaks volumes to me about how Erin Hunter has continued to improve the dialogue and interactions between characters This is going on my list of favorite special editions, it was action packed, emotionally driven at times and it really made you want to root for everything to turn out okay I d still like to give a couple of the leaders a cuff around the ear this book really caught me off guard with how involved I would be with this story I felt as though I was fighting every step alongside Squirrelflight, and if that kind of connection with a character does not speak to how well a book is written, I m not sure what does Bravo to Erin Hunter My favorite author since I was a kid, I ve loved every book so far and I can t wait for a new adventure Oh wow Erin Hunter is getting good at making me physically emotional when reading her books This book was so amazing Once again, I was satisfied to see that my favorite character, Hollyleaf, had a good bit of screen time so to speak, in this book This book actually made me cry, very sad but wonderfully written When reading it there were parts that I just wanted to claw Bramblestar What a mouse brain The introduction of a new group since the one we had seen in Tigerheart s Shadow was a nice addition I think, their family dynamic was fun to delve into and I enjoyed every bit I like that we got some insight into what exactly the new novella Tree s Roots might be about I was a bit disappointed that they did not elaborate on a few characters deaths even if just for a sentence, but I m sure we ll find out the reasons in later books I can t wait for the next book, I m sure it will be fantastic It is rare for me to ever show physical emotion when reading a book, no matter the situation The fact that I actually cried when reading the last few chapters of Squirrelflight s Hope really speaks volumes to me about how Erin Hunter has continued to improve the dialogue and interactions between characters This is going on my list of favorite special editions, it was action packed, emotionally driven at times and it really made you want to root for everything to turn out okay I d still like to give a couple of the

leaders a cuff around the ear this book really caught me off guard with how involved I would be with this story I felt as though I was fighting every step alongside Squirrelflight, and if that kind of connection with a character does not speak to how well a book is written, I m not sure what does Bravo to Erin Hunter My favorite author since I was a kid, I ve loved every book so far and I can t wait for a new adventure Oh wow Erin Hunter is getting good at making me physically emotional when reading her books This book was so amazing Once again, I was satisfied to see that my favorite character, Hollyleaf, had a good bit of screen time so to speak, in this book This book actually made me cry, very sad but wonderfully written When reading it there were parts that I just wanted to claw Bramblestar What a mouse brain The introduction of a new group since the one we had seen in Tigerheart s Shadow was a nice addition I think, their family dynamic was fun to delve into and I enjoyed every bit I like that we got some insight into what exactly the new novella Tree s Roots might be about I was a bit disappointed that they did not elaborate on a few characters deaths even if just for a sentence, but I m sure we ll find out the reasons in later books I can t wait for the next book, I m sure it will be fantastic It is rare for me to ever show physical emotion when reading a book, no matter the situation The fact that I actually cried when reading the last few chapters of Squirrelflight s Hope really speaks volumes to me about how Erin Hunter has continued to improve the dialogue and interactions between characters This is going on my list of favorite special editions, it was action packed, emotionally driven at times and it really made you want to root for everything to turn out okay I d still like to give a couple of the leaders a cuff around the ear this book really caught me off guard with how involved I would be with this story I felt as though I was fighting every step alongside Squirrelflight, and if that kind of connection with a character does not speak to how well a book is written, I m not sure what does Bravo to Erin Hunter My favorite author since I was a kid, I ve loved every book so far and I can t wait for a new adventure Oh wow Erin Hunter is getting good at making me physically emotional when reading her books This book was so amazing Once again, I was satisfied to see that my favorite character, Hollyleaf, had a good bit of screen time so to speak, in this book This book actually made me cry, very sad but wonderfully written When reading it there were parts that I just wanted to claw Bramblestar What a mouse brain The introduction of a new group since the one we had seen in Tigerheart s Shadow was a nice addition I think, their family dynamic was fun to delve into and I enjoyed every bit I like that we got some insight into what exactly the new novella Tree s Roots might be about I was a bit disappointed that they did not elaborate on a few characters deaths even if just for a sentence, but I m sure we ll find out the reasons in later books I can t wait for the next book, I m sure it will be fantastic It is rare for me to ever show physical emotion when reading a book, no matter the situation The fact that I actually cried when reading the last few chapters of Squirrelflight s Hope really speaks volumes to me about how Erin Hunter has continued to improve the dialogue and interactions between characters This is going on my list of favorite special editions, it
