2 good reads So nice to be back in Passion Grove I absolutely love the Ansahs and Dalmounts they work hard and enjoy the fruits of their labor to the fullest They re extravagant and a little over the top, but the author manages to keep them not only likable, but lovable Marisa has done a complete 180 from the party girl she was in the first book I was surprised to find myself rooting for her And don t get me started on Naim the Dream That man soundedd delicious than his brother It took these two a minute to get to their happily ever after, but they had issues that needed to be resolved before they came together I enjoyed taking the ride with them Niobia Bryant continues to be one of my favorite authors This was my first time reading Lindsey Evans and I was not disappointed Colorful characters, interesting storylines and great locations are always a plus for me I enjoyed Devyn and Bennett s story Like Marisa in the first story, I wanted to give Devyn a good shaking a time or two She was letting Tangie get away with way too much, but her confidence had taken a beating I was definitely side eyeing Bennett and his playboy ways, but of course I ended up loving him I m curious to read some of the other stories, so this is definitely not my last read by this author A good 2 for 1
