Read Book ? Chancy and the Grand Rascal ? Weplayit.co

I read this book when I was 11, and I loved the characters, the humor and the imagination so much that it made me want to become a writer And I have. funny story Read Book ?

Chancy and the Grand Rascal ? Chancy Dundee, An Ohio Farm Boy, Is Determined To Locate His Orphaned Brother And Sisters But Chancy Never Gussed That His Quest To Reunite The Family Would Throw Him Together With The Grandest Rascal West Of The Mississippi Who Also Happens To Be His Long Lost Uncle Will I loved this book as a child, and my son also loved it when he read it at about the same age It is a funny story with memorable characters. This was one of my favorite books growing up and I saw it on my bookshelf and decided to read it again these 40 some years later Copyright on my copy is 1966 It was fun reading it again although the happily ever after ending from childhood reads a little differently when read as an adult Chancy and his three siblings who are orphans have recently been reunited with the help of Uncle Will, the title grand rascal After many adventures and conning the conman, they have ended up in Sun Dance, Kansas Uncle Will announces that he is a coming and going kind of man and intends now to take the children away from the kind Miss Russell who has been taking care of the youngest two Right at that moment some men of the town show up to offer Uncle Will the job of mayor, which he accepts We are probably supposed to imagine that eventually he will marry Miss Russell and they will live happily ever after in Sun Dance Yet thinking realistically, Uncle Will is an adventurer, so how long will he really stay And if he goes what kind of life will it be for the children if he really does take them with him And what about their attachment to Miss Russell And if he does stay, can he be content and not become bitter But enough of that cynical adult speculation it was a fun read and I imagine there are some kids out there who might still enjoy it I remember reading this one as a child. Set in 1810, the story of a boy who sets out to find his siblings I used this book as part of a report in seventh grade. A good book from a great author Orphan tries to find his family in an adventurous Mark Twain world. BEECH TREE BOOKS Time 10 31 30min,11 1 30min 7 word summary Man,Travel,Wheelbarrow,Find,Kin,Sister,Friend Discussion question 1.Have you ever traveled with your friends yes,but it is school trip, I have never traveled only with my friends 2.Have you ever been spoken to a stranger yes,some people asked me how to go somewhere,but I always couldn t teach clearly Time 11 6 20min,11 8 15min,11 9 30min 7 word summary Youth,Help,Sell,Eggs,Hatch,Deceived,River Discussion question 1.If you can get holiday, where do you want to go in Japan I want to Miyagi prefecrure because my grand parents live there It is far from here so it not easy to see them 2.Have tou ever deceived when you buy something No, I always consider befor buying something Time 11 14 30min,11 16 40min 7 word summary Youth,Egg,Tree,Axe,Man,Uncle,Talk Discussion question 1.who do you take after in your family I take after my sister When I looked my photo when I was small,we were resemble 2.Do you often talk with your uncle or aunt No,sometimes I have chance to talk with my mother s sister,but basically I can talk only New Years Day or vacation. This is a fun story, but it s definitely a children s story There are certain stories written for children that can be just as interesting for adults, but I didn t quite feel the same with this book I want to emphasize that this is still a good story, but

there was something it lacked to give it the extra oomph to grab my full attention I think the main problem is that uncle Will is able to solve every problem they come across with complete and utter ease This makes for a fun, fantastical adventure, but it takes away any tension that would have otherwise existed It gets 4 stars for being so fun, and I think children will greatly enjoy it, but for adults I d give it 3 stars.
