[ FREE BOOK ] ? A Forever Family  
(Going Back) (Harlequin Superromance,

# #1536) ? MOBI eBook or Kindle ePUB free

This is so not what you expect when you pick up a Harlequin For me, the expectation is something light Maybe even frothy This goes a little deeper.Aidan, the hero in this, is an ex soldier recovering from being captured and tortured in Darfur He s writing a book about his experiences and each chapter starts with an excerpt from his book Emmy was Aidan s first love, who d married and subsequently divorced his ex best friend Both still have feelings for each other and unresolved issues regarding such.I think this is a better read than 3 stars would typically indicate from me But rather than feeling uplifted with a happily ever after that you typically feel with this genre, it left me a little depressed I just can t say I liked this book I didn t hate it But I just can t generate much warmth for the storyline or main characters either.
