Read the sample, and although I loved the authors wit, it gotandcynical and bordering on rascism. DOWNLOAD KINDLE ? Second Opinion ? Drug Addicts And Desperate Drunks,

Battered Wives And Suicidal Burglars, Elderly Alzheimer S Sufferers And Teenage Stabbing Victims They All Pass Through Theodore Dalrymple S Surgery, And He Uses The Experience Of Treating Them To Examine Life For Those Unfortunate Enough To Live At The Bottom End Of Society He Writes With A Combination Of Dry Humour, Compassion And, Occasionally, Anger Mostly At The Inhuman Bureaucracy Of The System, Which Works Against The Doctors And Nurses As They Try To Help Their Patients enjoyed the prose and wit the author uses Though it tends to get very cynical, and he paints a rather bleak picture of humanity Its worth a read no doubt, and I felt somewhat fond of his old school british charm. Theodore Dalrymple is ingenious What a diamond in the rough I love his prose, and his observations and his sharp, critical eye I ll probably readof his stuff. Eloquent, insightful, tragic, grim, and grimly funny. This is a collection of what must be Dalrymple s shortest essays As always, he delights and provides insight like no other living author I know of That man can say so much with so little. Boring
