For Bree School Is A Drag And Nothing Much Happens At Home On The Rockwell Housing

Estate That All Changes When She Finds Two Halves Of An Old Locket, Which Together Spell Out A Set Of Cryptic Instructions Now She Is Embroiled In A World Of Magic, Mystery And Danger For a book aimed at children, I was completely blown away Why hasn t this taken off like those Harry Potter books By the end of the book, I was completely smitten with Bree and her friends I cannot wait to read the next installment, which luckily should be delivered to my door any day now Well done, Ms Allan

'A terrific story that had me hooked from beginning to end. I loved it!'
D.A. Nelson, author of the award-winning *DarkSide*
