Popular Books, Death In A White Tie Overture To Death Death At The Bar By Ngaio Marsh This Is Very Good And Becomes The Main Topic To Read, The Readers Are Very Takjup And Always Take Inspiration From The Contents Of The Book Death In A White Tie Overture To Death Death At The Bar , Essay By Ngaio Marsh Is Now On Our Website And You Can Download It By Register What Are You Waiting For Please Read And Make A Refission For You We bought ourselves the whole Alleyn series for Christmas and I m working my way through them Have to suspend my political and social views to enjoy them but it s worth it for a good bit of escapism. Read Death in a White Tie Entertaining, keeps you guessing all the way through Not her best, by far, but still a worthwhile period whodunnit read. I really wish that Harper Collins had made these novels available as separate volumes instead of combing them into one omnibus It s huge, unwieldy and difficult to read and to take places with me That said, one of these omnibuses will last you from Auckland to Narita which is a 12 hour flight, so it isn t all bad Death in a White Tie 4.5 I didn t enjoy this one the first time I read it because I really liked Bunchy, the victim, and I felt his death very strongly A really strong mystery, I entirely forgot the solution Second time around, I still felt sorry for Bunchy Overture to Death 5Possibly my favourite Ngaio Marsh Death by piano What is there to dislike Death at the Bar 4The first Ngaio Marsh I ever read First time round, I was an indignant teenager and I couldn t finish it because I was really upset at the wrong person being murdered Second time around, I felt the atmosphere of the place too strongly I don t think I fully took the mystery in This reading, I really appreciated it for what it was I had completely forgotten the solution I also saw a lot about the victim that younger me had missed Definitely not someone I should be regretting The Figure Quoted 3.5One of those stories that seems to depend on context no longer available Cute but I feel like I m missing something. Another great Ngaio Marsh mystery She was a fantastic, skillful writer Each of her novels are such a delight As good as any Ngaio Marsh book and by that I mean amazing The first 2 books are great, the 3rd story is not one of my favourites but still great.

NGAIO MARSH

The greatest exponent of the
classical English detective story

Daily Telegraph

Death in a White Tie

Overture to Death

Death at the Bar

The
INSPECTOR
ALLEYN
MYSTERIES

The cover carries quotes from both the Telegraph and the Sun describing these stories as classical I suppose they mean classic The three books in this omnibus date from the 1930s They feature a toff detective, Alleyn, solving murders among the upper crust and the lower orders The first is mildly entertaining The other two are complicated and less interesting, and the third is thoroughly patronising.
