I really, really liked this one and should round it up from 4.5 stars Titan and Kim are competitors, both weapons dealers to an unsavory clientele When Kim inadvertently steps

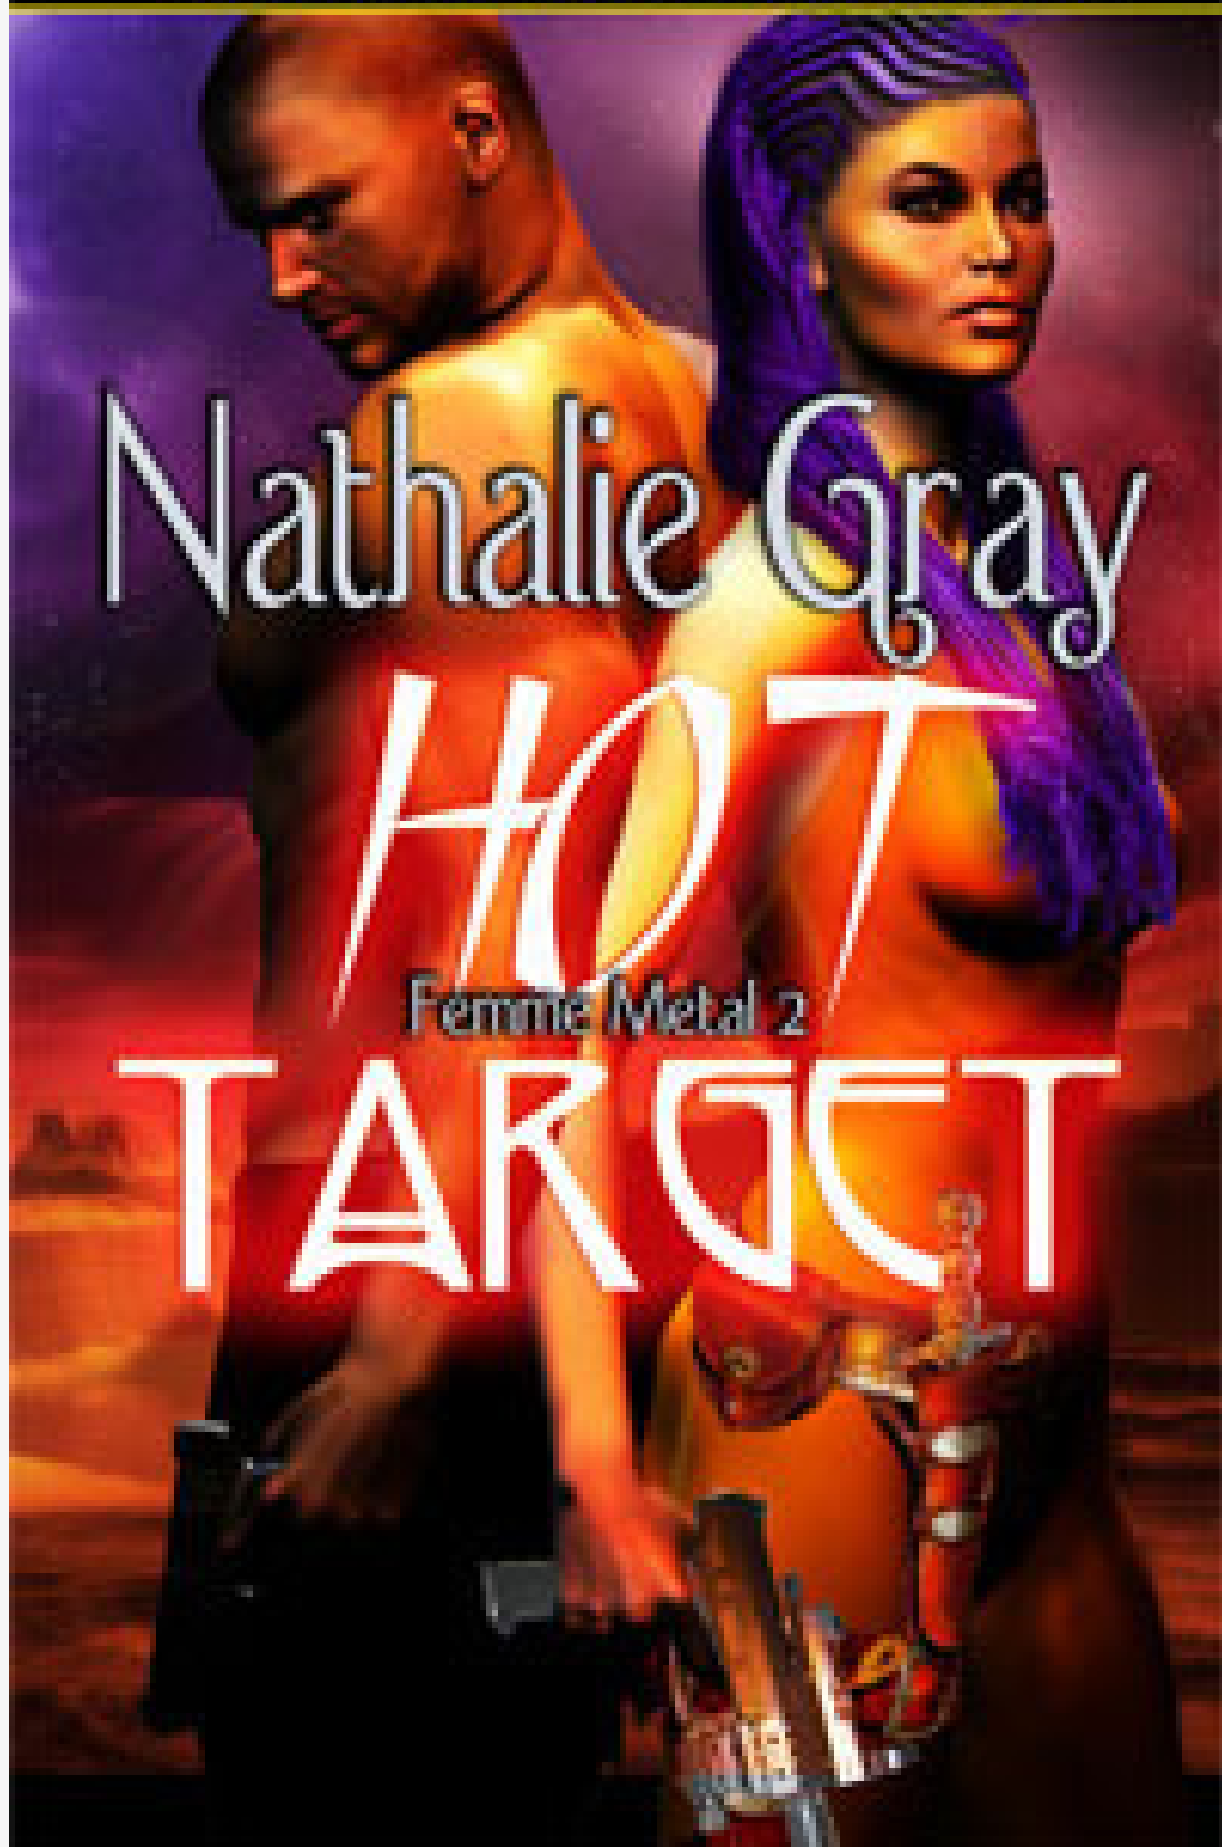

into Titan's territory, things get heated I love that Titan is a bad ass but also a clothes horse, and Kim has a bubble gum sensibility to her, including pseudo Valleygirl ese, yet is not an airhead And I had to smile that they inadvertently color coordinated on their first date Very sexy read. This is an action packed Science Fiction Romance with villain hero and smart sassy heroine It is a lot of fun I didn't really like the hero or the heroine but still enjoyed the book.
