When both their lives are starting to be targeted, it just gives Jake reasons to get closer to her He knows the minute Mary finds out he lied, they will be over But he still can t stop himself from rethinking his career choice The power of love between these two will be the only way to save them.

2.5 Courtesy of CK2S Kwips and Kritiques I ve been reading Linda Conrad for several years and I know I can always count on her for a suspenseful read, full of passion and adventure, and than a little danger The Covert Agent s Virgin Affair delivers all that in spades Don t let the title fool you, this book is so much. Jake Pierson is an FBI agent, undercover investigating a money laundering scheme in the little town of Honey Creek, Montana, planning to use seduction to get information out of the daughter of his dead prime suspect He never expected that this innocent in way than one young woman may be his undoing. Mary Walsh has new ambitions for her life After reinventing herself, this small town librarian has learned a lot of hard lessons, not the least of which is who she can trust after her supposedly long time dead father shows up again dead for real this time After a wildly passionate evening between Jake and Mary, they find themselves in a bind Mary knows he is hiding something big and Jake finds the innocent Mary too hard to resist However, someone wants them dead and will stop at nothing to see that accomplished If Mary and Jake can t move past their fears, The Covert Agent s Virgin Affair may wind up costing them a lot more than their hearts it will mean their lives. Jake and Mary are such a delightful couple And interestingly enough, the roles are somewhat reversed here Jake may be as tough as nails FBI operative, but he is the emotionally vulnerable one Full of remorse and guilt over believing himself responsible for the death of loved ones in the past, he fears that the attached to Mary he becomes, the danger she is in Mary on the other hand, is very strong on the inside, where it counts most She has suffered a lot in her life, but fights through it all, to rebuild herself from the inside out These two need each other in so many ways, and never is this evident than in a very powerful scene towards the end of the novel when we see just how deep their love goes I can t go into details as to what happens since it will give too much away, but trust me, you ll know exactly what I m talking about when you reach that scene. Suspense is nail biting from beginning to end in The Covert Agent s Virgin

Affair From the opening scene between Jake and his assailant, to the final showdown, action and adventure is unceasing as we wait in breathless anticipation to find out who is behind the attempts on Jake and Mary s lives and why they want them dead While key elements of this novel are resolved by the end, the larger overarching mystery behind The Coltons of Montana is left wide open, with a few clues revealed, to be further explored in later books of this continuity series Kelley A Hartsell, read August 2010 All rights reserved.

THE
COLTONS
-OF MONTANA-

She was his kind of target...

After a great previous book by Linda Conrad not in this series , this one came as a disappointment for me In general, I don t like filler books in series, when nothing monumental happens, but a few minor details important for the series arc And this book was definitely a filler.I felt no connection to the characters, or between them for that matter, the suspense was almost nonexistent, the one threat there was was never explained, the big boss still hiding in the bushes so to speakAnd the big meltdown toward the end simply came out of the blue, had no head nor tail, and though some would argue it contributed to the resolution between H h, that could ve been done in a different way.
