HALO HUNTER!

Michele Hauf

This is a short, fast paced novella by one of my favorite authors I love how Ms Hauf pulls you into her world before you even realize your feet are hanging out She flawlessly builds the scenes around you so you are sucked in and don t even want to go home I love Vinny as a name and as a character she is hardcore and I want to read about her. The plot is good, felt the mushy was a bit rushed but other than that I loved it and will be on the watch for other books in this series Sorry this review is so short, was a pretty short novella.
