~KINDLE ? A Gentleman's Homecoming ? It S Been Six Years Since Luke Travis Has Seen His Native Englandand His Son, Sam But His Hopes For A Joyful Reunion Are

Shattered When He Learns That Sam Wants Nothing To Do With Him There S One Ray Of Hope Luke S Former Sister In Law, Bobbie Gardner The Kindhearted Woman Has Been A Mother To Sam For All These Years, And She Promises To Help Mend The Breach Between Father And Son But Can Luke Trust Another Gardner His Wife Betrayed And Abandoned Him, And His Father In Law Took His Son Away Bobbie Must Prove To Him That She Is Not Her Sister, Or Her Father, But A Woman Who Is All That Luke Could Wish For In A Wife

What I like best about Ruth Morren s stories is that they are so unique She incorporates historical occurrences that I find very interesting and informative In this case how one of the first underground train lines came to be Also, how difficult it was for a woman to establish her ability as a civil engineer in a time when it was considered a man s job and a women s place was in the home The romance between the hero and heroine comes across as very real and believable The conversation flow in all Ruth s books feels very natural and flows nicely. I highly recommend Ruth Axtell Morren as an author I ve not read anything by her yet that I haven t enjoyed.

THE BEST OF BOSS

RUTH AXTELL MOORE  
*Continental Planning*

It's Never Too Early to Begin

love Ruth Axtell Morren's writing, so I was eagerly anticipating this book, even though I have a hard time believing the people who fall in love with their dead spouse's sibling story line. Not that I don't believe it happens, it just is a little hard for me to accept. Anyway, the story didn't move as fast as I would've liked, but it was a story of a parent's love for a child, and the sacrifices that are made, rather than all about a love story. There was depth to it that one might usually find in the shorter novels, which was also nice. I've come to expect that element in her writing. I'm really glad there was an epilogue. I enjoyed the brief glimpse of their future.
