[[Read Ebook]] , Banned Books ì Banned Books Challenging Our Freedom To Read Provides A Framework For Understanding Censorship And The Protections Guaranteed To

Us Through The First Amendment Interpretations Of The Uniquely American Notion Of Freedom Of Expression And Our Freedom To Read What We Choose Are Supplemented By Straightforward, Easily Accessible Information That Will Inspire Further Exploration P Of Cover

I wish I d had this in time for a lot prep for Banned Books Week It s an incredible resource, not only for its THREE indices of challenged banned books title, geographic, and topical

really, strangely organized ALA website, this is all I want from you , but for its thorough and informative look at the First Amendment For quotes, court cases, and actions you can take to educate and uphold your fight against censorship, every librarian should know about this book. I love this book that I borrowed through the inter library loan system so much that I tossed a cup of tea over it just so that I could keep it Well, truthfully, I did not spill the tea on purpose, but I did end up purchasing it from the Library just the same The tea stains aren t too bad, just on the edges of the pages and the back page where it stuck to the page in front I happened to be home for my half hour lunch break and didn t have the time to do a thorough clean up Anyway, back to the book, I am thrilled to now own it and be able to peruse it at my leisure I truly celebrate my freedom to read and it s totally fascinating to learn the reasons why books have been banned over the years As well as the great content, the author has done an amazing job on the organization and layout of this book The overall size and size of the print make it very easy on the eyes and I like his use of red lines to delineate the entries. from the ALA website Celebrate your freedom to read Published every three years, this comprehensive book helps bookstores, libraries, and schools develop and organize their programs in support of the First Amendment Banned Books Week highlights the benefits of free and open access to information while drawing attention to the harms of censorship by spotlighting actual or attempted bannings of books across the United States For information about Banned Books Week, please visit www.ala.org/bbooks.8.5 x 11
